**The Greatest of These is Love** Lori Pieper, OFS, 2013-11-17 Though St Elizabeth of Hungary lived over 800 years ago she has a unique appeal for Christians today Love rather than ideology or politics was the basis of her whole life Born in 1207 the daughter of King Andrew II of Hungary and married to Ludwig IV the Landgraf of Thuringia Elizabeth was a happily married woman who loved her husband and children As a lover of the poor she not only practiced charity but protested the injustices practiced against the poor in the feudal world even her husband's own policies Above all Elizabeth hungered for God and found him in her everyday activities as a noblewoman ruler wife and mother before she found him in religious life and service to the poor in imitation of St Francis Originally published in 2007 to coincide with the 800th anniversary of St Elizabeth's birth this life now revised and expanded is based on the most up to date research and is accompanied by the testimonies given at her canonization process including some that have never before been translated into English *But the Greatest of These Is Love* Edward M. Vigeant, 2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know God's Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are approximately 4 200 religions in the world today I say But the Greatest of These is Love The Works of John Wesley: Journal from May 6, 1760, to October 28, 1762 John Wesley, 1872 **The Late Rev.
