Arrington,2021-10-19 How the interactions of non elites influenced Athenian material culture and society The seventh century BC in ancient Greece is referred to as the Orientalizing period because of the strong presence of Near Eastern elements in art and culture Conventional narratives argue that goods and knowledge flowed from East to West through cosmopolitan elites Rejecting this explanation Athens at the Margins proposes a new narrative of the origins behind the style and its significance investigating how material culture shaped the ways people and communities thought of themselves Athens and the region of Attica belonged to an interconnected Mediterranean in which people goods and ideas moved in unexpected directions Network thinking provides a way to conceive of this mobility which generated a style of pottery that was heterogeneous and dynamic Although the elite had power they were unable to agree on the norms of conspicuous consumption and status display A range of social actors used objects contributing to cultural change and to the socially mediated production of meaning Historiography and the analysis of evidence from a wide range of contexts cemeteries sanctuaries workshops and symposia offers the possibility to step outside the aesthetic frameworks imposed by classical Greek masterpieces and to expand the canon of Greek art Highlighting the results of new excavations and looking at the interactions of people with material culture Athens at the Margins provocatively shifts perspectives on Greek art and its relationship to the eastern Mediterranean *Road Vehicles Surroundings Supervision On-Board Sensors and Communications* Felipe Jimenez,2019-01-29 This book is a printed edition of the Special Issue Road Vehicles Surroundings Supervision On Board Sensors and Communications that was published in Applied Sciences Drum ,2003-07 **Automotive Engineering International** ,1999-07 **Hungarian R&D Articles** ,2003 **The Times Index** ,2004 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement La Sombra de la Bestia.
