The Logic of Love Andrew J. B. Cameron, 2022-12-29 Overviewing what makes the intersection between emotion and ethics so confusing this book surveys an older wisdom in how to manage it using a range of Christian theologians and sources More important even than managing we begin to see a vision for a better set of affections to grow within and among us In this vision emerges a practical and nuanced account of what the Christian tradition sometime summarises as love How may we recover a deep affection for what matters both within ourselves and together in groups This book also dialogues with a new movement in moral psychology social intuitionism Cameron argues that researchers in this discipline have interests and conclusions that sometimes overlap with Christian sources even where

their respective lenses differ In this way the book overviews recent trends in moral psychology against a recent historical and contemporary cultural backdrop whilst assaying major sources in Christian theology that offer guidance on moral psychology

The Moral Psychology of Love Arina Pismenny, Berit Brogaard, 2022-03-28 Under what circumstances can love generate moral reasons for action Are there morally appropriate ways to love Can an occurrence of love or a failure to love constitute a moral failure Is it better to love morally good people This volume explores the moral dimensions of love through the lenses of political philosophy psychology and neuroscience It attempts to discern how various social norms affect our experience and understanding of love how love relates to other affective states such as emotions and desires and how love influences and is influenced by reason What love is affects what love ought to be Conversely our ideas of what love ought to be partly determined by our conception of what love is

The Millionaire of Love David Leddick, 2006 Radomir is the epitome of Quentin Crisp's concept of the millionaire of love a beauty who is loved and desired by both women and men However he holds little patience for Nevis's attentions His constant rebuffs fail to dissuade the fixated older man who in turn almost revels in the emotional pain he experiences from rejection Helpless against his own feelings Nevis must do battle with his emotions to save his dignity and any chance he has left for happiness The Millionaire of Love reveals the inner thoughts and feelings of both men showing that no matter how deeply we descend into inescapable passion and unrequited love we need to value all that we learn no matter what our age **BOOK JACKET**
