I Should Have Been Dead and Gone Patricia Whiting,2022-04-05 This is the first book I have written The Lord has been gently prodding me to write it for twenty years I simply could not bring myself to do so There is quite a bit of danger and violence in this book I Should Have Been Dead and Gone is the true story of my life beginning around four years old Every incident is true although names and cities have been changed for privacy reasons I received a lot of healing as I wrote my life story I wrote this book entirely as the Lord told me to It was written to give someone hope and encouragement that you too will make it through dark times in your life If just one person is helped in any way then my prayer has been answered

**Before**

**They're Gone** Michael Lanza,2012-04-03 A longtime backpacker climber and skier Michael Lanza knows our national parks like the back of his hand As a father he hopes to share these special places with his two young children But he has seen firsthand the changes wrought by the warming climate and understands what lies ahead Alaska's tidewater glaciers are rapidly retreating and the abundant sea life in their shadow departs with them Encroaching tides threaten beloved wilderness coasts like Washington's Olympic and Florida's Everglades Less snowfall and hotter summers will diminish Yosemite's world famous waterfalls And it is predicted that Glacier National Park's 7 000 year old glaciers will be gone in a decade To Lanza it feels like the house he grew up in is being looted Painfully aware of the ecological and spiritual calamity that global warming will bring to our nation's parks Lanza sets out to show his children these wonders before they have changed forever He takes his nine year old son Nate and seven year old daughter Alex on an ambitious journey to see as many climate threatened wild places as he can fit into a year backpacking in the Grand Canyon Glacier the North Cascades Mount Rainier Rocky Mountain and along the wild Olympic coast sea kayaking in Alaska's Glacier Bay hiking to Yosemite's waterfalls rock climbing in Joshua Tree National Park cross country skiing in Yellowstone and canoeing in the Everglades Through these poignant and humorous adventures Lanza shares the beauty of each place and shows how his children connect with nature when given unscripted time Ultimately he writes this is more their story than his for whatever comes of our changing world they are the ones who will live in it
