Someone Watching:

Someone's Watching You! Forest Lee, 2011-05-18 Somewhere in D C a vast computer complex churns through quintillions of data bytes about every American living or dead And one of them is you Satellites circle in space prying into your intimate family secrets while underground groups plot how to clone your DNA Your phone may be tapped your office burglarized your identity stolen They re bugging your clothing and hacking your e mail There s no place to hide Or is there In this book you ll learn about real little known secret programs run by both the public and private sectors And once you re armed with that knowledge you ll learn practical steps you can and must take to keep your private life private and lose Big Brother for good

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
