Someones Been Sleeping In My Bed:

Who's Been Sleeping in My Bed? Jami Davenport, 2014-05-11 Breaking and entering has never been one of Harlee Davis's sins but that's about to change when she falls asleep in a stranger's bed while seeking refuge from the storm raging outside and the one created by her screwed up life. When Jake Reynolds returns home late at night the last thing he expects is a curvy blond Goldilocks warming his sheets. Instead of throwing the intruder out on her fine ass he hires her to organize his disorganized construction office. When his wealthy family meets the polyester siren posing as Jake's assistant they fear he's slipped back into his bad boy ways. After Harlee discovers that Jake plans to demolish the very camp she's been entrusted to preserve she mounts a crusade. They wage a war of wills battling their conflicting interests on a professional level and too much interest on a sexual level and one of them stands to lose everything in a game where there may not be a winner.
