Something Fishy at Macdonald Hall Gordon Korman,1995 Just as the Headmaster of Macdonald Hall is on the verge of retirement a wave of practical jokes hits the school and roommates Bruno and Boots become prime suspects Something Fishy at Macdonald Hall Ron Leduc,2000 *Something Fishy at MacDonald Hall* Gordon Korman,2000 The school year is getting off to a wacky start at Macdonald Hall Students are turning blue in the swimming pool and water balloons are bursting in math class Everyone thinks Bruno and Boots are to blame but this time the boys are innocent They re determined to find the phantom practical joker **Something Fishy at Macdonald Hall (Novel Study) Gr. 5-6** Ron Leduc,1999-01-01 Something Fishy at Macdonald Hall is the story of two boys Bruno and Boots and a series of escapades that surround Macdonald Hall Edward Boots younger brother has just enrolled at Macdonald Hall Mr Sturgeon the Headmaster of Macdonald Hall is considering resigning saying that there are no more challenges left A series of escapades captures everyone s attention including the dressing of Sir John A Macdonalds s statue in a scuba suit the blue dyed swimming pool detour signs on Highway 48 and the stuffing of the cannon with a human mannequin The mystery unfolds as the two boys try to capture the person responsible This Novel Study provides a teacher and student section with a variety of activities discussion questions and answer key to create a well rounded lesson plan **I Want to Go Home (Novel Study) Gr. 5-6** Ron Leduc,1999-01-01 I Want to Go Home is the story of a boy s various escape attempts from Camp Algonkian Rudy Miller is sent to Camp Algonkian by his parents on the misguided advice of the school guidance counselor There Rudy is determined to become his own man by making snide comments of the camp founder s bow legs playing chess instead of the scheduled activities or making a salad for his counselor At night instead of singing campfire songs Rudy spends his time planning various escapes from the camp When a badly planned wager leaves Rudy in charge of the camp for a day the campers will either kill him or call him a hero Our Novel Studies provide a teacher and student section with a variety of activities discussion questions and answer key to create a well rounded lesson plan **The Ultimate Guide to Classroom Publishing** Judy Green,1999 Exciting ideas for teaching writing editing illustration and design This practical resource also features author studies a guide to author visits fun ways to celebrate books and more Cf Our choice 2000 **The Spatial Dynamics of Juvenile Series Literature** Michael G. Cornelius,2020-11-11 Where we come from where we are where we have been and where we are going all have a huge impact on who we are Theories of space and place also hold that the converse is equally true that we have an impact on those spaces and places we inhabit or dwell within We make space our agencies our cultures our beliefs and values and understandings shape the macro and micro environments around us Just as much however those places we inhabit shape us causing us to adapt ourselves to them Children exist in spaces that are crafted for them by adults by parents by school administrators and teachers and as such their impact on space can be somewhat limited Space is made for them but certainly not to their own specifications or liking In children s literature spaces

are often seen as noteworthy markers of a child's progression toward adulthood whether the space is Laura Ingalls' little house or Harry Potter's Hogwarts. For these characters, movement through space is about growth and change, about accepting the inevitability of growing up and the responsibility of the adulthood whether that be marriage and motherhood or vanquishing the most evil wizard of all time. However, what about juvenile series books whose central protagonists generally never grow or change? The central character of these series usually a flat, unchanging trope more than a fully realized, fleshed-out dynamic figure is a static creation. Though characters like Nancy Drew and the Hardy Boys frequently move through different geographies, they never change as characters. In fact, one could argue that the only dynamic that ever experiences any alteration in a series like Nancy Drew is setting. Surely there is something significant about the relationship of series books to those spaces their protagonists inhabit. This collection explores that relationship, the dynamics between the controlled spaces of childhood and the variable spaces of juvenile series literature. It shows that the unchanging series book characters demonstrate that their impact on space is far greater than its impact ever is on them, reflecting an exercise in spatial authority that most children and even children's book heroes never quite experience.

*The 100 Most Popular Young Adult Authors* Bernard A. Drew, 1997-10-15. The book focuses on individuals writing in the 90s but also includes 12 classic authors, e.g., Mark Twain, Louisa May Alcott, J.R.R. Tolkien, who are still widely read by teens. It also covers some authors known primarily for adult literature, e.g., Stephen King, and some who write mainly for middle readers but are also popular among young adults, e.g., Betsy Byars. An affordable alternative to multivolume publications, this book makes a great collection development tool and resource for author studies. It will also help readers find other books by and about their favorite writers.
