## Something Happened:

**Something Happened** Joseph Heller, 2017-06-01 Bob Slocum was a promising executive He had an attractive wife three children a nice house and as many mistresses as he desired His life was settled and ordered he had conformed and society demanded he be happy or at least pretend to be But the pretence was becoming more and more difficult as Slocum's discontent grew into an overwhelming sense of desolation frustration and fear And then something happened ...*Then Something Happened* D. Jensen, 2001-06-14 It was a stormy Saturday night and detective Messina just wanted to go home He didn't anticipate questioning two drenching wet boys about what they saw He never asked to pull three bodies from a Houston bayou And he most certainly never wanted to see pictures of himself posted on a Houston web page with would be hints and clues about what's going on That Saturday night Messina was only interested in going home Then Something Happened Set in the diverse backdrop of Houston Texas it's a story that shows both sides of the horrors of teen violence and Messina must wade through it all to find out what happened and more importantly why **Something Happened** Joseph Heller, 1985 Bob Slocum was living the American dream He had a beautiful wife three lovely children a nice house and all the mistresses he desired He had it all all that is but happiness Slocum was discontent Inevitably inexorably his discontent deteriorated into desolation until something happened Something Happened is Joseph Heller's wonderfully inventive and controversial second novel satirizing business life and American culture The story is told as if the reader was overhearing the patter of Bob Slocum's brain recording what is going on at the office as well as his fantasies and memories that complete the story of his life The result is a novel as original and memorable as his *Catch-22*

For millions of people seeking better lives the ideal we call The American Dream continues to be the ultimate goal At an early age author Stefan Adam longed for freedom in America far away from the crushing rule of communism in his native Romania After years of struggle and sacrifice Stefan realized his dream of coming to America and building that dream This true story unfolds through good times and bad with insightful observation of American society and a never ending desire to understand what makes it great its people culture and politics The story begins on the shores of Romania's Black Sea where 12 year old Stefan first dreams of finding freedom and a better life in America far away from the dark clutches of communism Years later that dream blossoms along with Stefan's love for his high school sweetheart and future wife Michaela Together they embark on a journey to make their American Dream come true and after years of hard work that dream comes into a full blossom Readers who come along for the ride will experience the wonder and awe of discovering America through their eyes But as time goes by the promise of that dream begins to fade Could it be that corporate greed and political arrogance were eroding the foundation on which this great nation was built Is this another Roman Empire a great civilization doomed to fall under the weight of its own power greed and corruption Their struggles exemplify what it means to fight for freedoms that are so often taken for granted and never to give up hope because in the end it is not just the story of Stefan and Michaela's American Dream It's everyone's American Dream to nurture and protect What Happened To My American Dream is a very personal story of hopes and dreams and what happens when those dreams are threatened Told in a straightforward conversational style is a touching tale that anyone who has ever longed for a better life will easily relate to It is written by an ordinary citizen who came to this country under extraordinary circumstances What Happened To My American Dream serves as a reminder that safeguarding the American Dream is the responsibility of everyone who has the privilege of calling this great country home
