*Something of Value* Rawland Storm,2014-05-21 The poems within my book have been accumulating over a span of sixty six years Perhaps the thoughts words and feelings were not immediately stored anywhere except my mind and heart but eventually they were written down on paper so I would not forget them Through these poems I have hopefully managed to express the Christian feelings and beliefs I have always felt should be shared with others As I have often said to myself Words are just words until they are heard or read by someone else I have always written and posted my poems on line with only black letters on a white background No colors pictures or music to distract the reader or affect their reaction to my words I grew up listening to the lyrics of songs before music videos began to influence our feelings and thoughts about the words being sung I liked my mental images much better I still do I just want the reader of my words to supply apply some of their own thoughts feelings and images and in doing so make each poem their own
