Finger Pointing to the Moon Osho,2024-05-03 One who is not ready to stake his very life will never be able to know the hidden mysteries of life Those secrets are not available cheaply Knowledge is available very cheaply knowledge is available from books from scriptures in education with the teachers Knowledge is available almost for free you do not have to pay anything for it In religion you have to pay heavily It is not right even to say heavily because only when someone stakes everything do the doors to that life open The doors to that life open only for those who put this life at stake To put this life at stake is the only key to the door of that life But knowledge is very cheap so the mind chooses the easier and the cheaper way We learn things words doctrines and think that we know Such knowledge only enhances ignorance **Day Dreams** Lizzie Berry,1893 Collier's ,1950-07 **The Lost Cause** ,1898 All the Year Round ,1883 **The Writings of James Russell Lowell: The old English dramatists** Lowell,1892
