## Son Of Grifter:

Son of a Grifter Kent Walker, Mark Schone, 2009-10-13 A National Bestseller and Edgar Award nominee Son of a Grifter is Kent Walker's memoir about growing up with killer con artist Sante Kimes as a mother. Highly readable, truly horrific. Entertainment Weekly In 1988 a troubled young man and his flamboyant mother were arrested for murdering a wealthy widow in her New York City mansion. Suddenly America was transfixed by a pair of real-life film noir characters. The media couldn't get enough of the twisted relationship between Sante Kimes and her twenty-three-year-old son Kenny. But the most chilling story of all was never told until now. Kent Walker, Sante's elder son, reveals how he survived forty years of the Dragon Lady's very special brand of motherly love and still managed to get away. As a child, Kent watched his mother destroy his hardworking father, Ed Walker, and then with Kent's painful collusion, snare what Sante called my millionaire. When she married seemingly respectable real estate developer Ken Kimes, it was a match made in hell. For the next two decades, Kent's mother and stepfather indulged in a globetrotting orgy of criminal behavior. Kent, their would-be recruit, was privy to the family business: torching houses, defrauding friends, crashing White House parties. When Kent's half brother, Kenny, was born, Kent was twelve years old, old enough to know that he was his younger sibling's only protector. Kent tried desperately to save Kenny from his mother's sinister bidding. His failure haunts him to this day. One of the most engrossing true crime accounts. Compelling Booklist Walker does a fine job of elucidating the psychological and emotional price of being loved and cared for by a sociopath. Publishers Weekly

**The Grifter, the Poet, and the Runaway Train** Geoffrey Douglas, 2019-05-01 For over 20 years, Geoffrey Douglas has written feature-length pieces for Yankee magazine that chronicle extraordinary stories that have taken place in New England. Some have been about public events widely reported: a Maine town turning against itself under the weight of an influx of Somalis; a fatal fire in Worcester, MA; a Vermont reporter's defense of marriage equality. Others have been more private: the stories of men and women surviving, facing choices, living life a small time jockey, scratching out an existence at county fair racetracks; the long sad fall of a Maine lottery winner; a poet's love affair with his town. The best of these taken together make for a rich and updated collection of New England portraits, mostly ordinary lives upended by choice or chance, turned suddenly unexpectedly remarkable.
