Son of Solaris Jodi Lynn Copeland, 2005-03 She was his destiny he never expected her to walk away Having grown up in the seedier sections of Las Vegas stripping to make ends meet Cara Larsen knows when it's time to stay and time to beat a hasty retreat When Tristan Manseletti her longtime lover starts dropping hints of marriage she knows the time to return to her roots is now Tristan is no ordinary man while she has learned to deal with his supernatural powers the idea of reproducing with him scares her She already has one abnormal child to fend for in her little brother she doesn't think her heart can handle another Tristan knows Cara is frightened by his powers also that she is his predestined soul mate he is determined to track her down When called to Reno he never dreams he will find Cara onstage stripping in a gentleman's club Or that the woman he came to the city to meet will hold the power to make him question everything he believes in about himself and his destiny with Cara Evil and good clash with Tristan being the ultimate prize Only he can realize paradise and his heart before he loses everything
