three very different cultures Al Rassan is a land of seductive beauty and violent history Peace among the Jaddites Asharites and Kindath is a precarious elusive thing made so by the ever present shadow that divides the inhabitants but draws extraordinary individuals together Ammar ibn Khairan poet diplomat soldier Rodrigo Belmonte accomplished military leader and Jehane bet Ishak brilliant physician find their lives overtaken by a series of dramatic events that bring Al Rassan to the brink of war Hauntingly evocative of medieval Spain The Lions of Al Rassan is an exhilarating story of love divided loyalties and what happens to men and women when passionate beliefs conspire to remake or destroy a world The Last Light of the Sun For generations the Erlings of Vinmark have taken their dragon prowed ships across the seas raiding the lands of less violent people leaving fire and death behind But times change even in the hard north and in a tale woven with consummate artistry people of very different cultures find the threads of their lives unexpectedly entwined Making brilliant use of saga song and chronicle The Last Light of the Sun brings to life an unforgettable world balanced on the knife edge of change
