## **The Goodbye:**

The Goodbye Man Chad Barton, 2011-07-08 As more people filled the packed church Jack was forced to move down the wall toward the front until he was very near the altar From that vantage point he could see the young mother's face He found himself staring at her unable to look away He didn't know why Perhaps it was the terrible sadness in her face He watched her intently as she clutched a little brown teddy bear and a picture of her daughter who now lay only feet away in a small casket The size of it made him wince Jack felt the anger rise within him At sixty years old Jack Steele has long since retired from putting criminals especially those that hurt children in prison Following his retirement from law enforcement he built a successful multimillion dollar company allowing him financial freedom in his golden years Following the unexpected loss of his wife Sarah however he withdraws into himself He becomes a loner whose only companion is his German shepherd Sadie Sick of a court system that lets monsters out of prison to torture and kill again and again he decides there is only one way to stop them Using his own resources his credentials as a retired police officer and his 380 Walther he and his dog begin to hunt bringing justice to those whom the system cannot control After all enough is enough
