The Great Lili:

Music, Politics, and Violence Susan Fast, Kip Pegley, 2012-11-16 Music and violence have been linked since antiquity in ritual myth and art. Considered together they raise fundamental questions about creativity, discourse, and music's role in society. The essays in this collection investigate a wealth of issues surrounding music and violence: issues that cross political boundaries, time periods, and media, and provide cross-cultural case studies of musical practices ranging from large-scale events to regionally specific histories. Following the editors' substantive introduction, which lays the groundwork for conceptualizing new ways of thinking about music as it relates to violence, three broad themes are followed: the first set of essays examines how music participates in both overt and covert forms of violence; the second section explores violence and reconciliation; and the third addresses healing, post memorials, and memory. Music, Politics, and Violence affords space to look at music as an active agent rather than as a passive art, and to explore how music and violence are closely and often uncomfortably entwined. CONTRIBUTORS include Nicholas Attfield, Catherine Baker, Christina Baade, J. Martin Daughtry, James Deaville, David A. McDonald, Kevin C. Miller, Jonathan Ritter, Victor A. Vicente, and Amy Lynn Wlodarski.

Dora's difficulty; or, 'Charity doth not behave itself unseemly'. [Followed by] Lili's birthday party Mrs. H. B. Paull, 1885 **The Good Daughter** Jasmin Darznik, 2012-03-01 With this one word Lili had finally understood many things that no matter what she promised or sacrificed or gave she would always be broken to her daughter. When Jasmin Darznik finds a photo among her father's possessions shortly after his death, she recognises the child in the veil and bride's clothes as her mother Lili, but the groom is unfamiliar. Who had her mother married all those years before? A few months later Lili sends Jasmin ten cassette tapes which reveal the secret history of their family: the true story of the abusive man she married and the daughter she was forced to leave behind. This is an unforgettable story of secrets, betrayal, and exile, and of an unshakeable mother-daughter bond.
