

THE GREAT OMISSION

REDISCOVERING JESUS' ESSENTIAL TEACHINGS ON DISCIPLESHIP

The Great Omission

Leonard Jenyns

The Great Omission:

The Great Omission Dallas Willard, 2009-10-13 The last command Jesus gave before ascending to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians instead of making disciples have merely made more Christians This according to acclaimed author and renowned Christian thinker Dallas Willard has been the church's Great Omission In *The Great Omission* Willard argues that we cannot be Christians without being disciples and that if we want to call ourselves Christians we must do our best to make life on earth more closely resemble the Kingdom of God He calls on believers to restore what should be at the heart of Christianity being active disciples of Jesus Christ Willard encourages us to rise above traditional thinking and embrace the true meaning of discipleship an active involved 24/7 life with Jesus Dallas Willard is a professor at the University of Southern California's School of Philosophy and has held visiting appointments at UCLA and the University of Colorado His groundbreaking books *The Divine Conspiracy* and *The Spirit of the Disciplines* forever changed the way thousands of Christians experience their faith Another classic from the pen of this remarkable writer incisive and insightful this book issues a compelling call for the rediscovery and renewal of Christian discipleship Alister E McGrath Professor of Historical Theology Oxford University The Great Omission Robertson McQuilkin, 2001-12-01 Respected missions thinker Robertson McQuilkin answers the question How is it with so many unreached peoples there are so few Christians going *The Great Omission* Robert Blair, 2007 If Jesus were still alive and preaching today would he be building a huge church structure Would he be talking about the trigger issues the hot topics that seem to dominate our pulpits Would he be marching in the streets either against or in favor of abortion gay rights or repealing the death penalty Robert Blair contends that Christ would not be politically active or overtly try to influence the government Instead he asserts that Jesus would preach the same simple gospel that he did 2 000 years ago In *The Great Omission* Blair makes the case that the contemporary followers of Jesus should be doing what he would do and that our primary objective ought to be preaching the good news to every person on the planet Blair believes that it is only by doing that and by personally assisting the poor that we can truly glorify God Every minister will profit by reading and heeding this book but those in the pews will also benefit from reading *The Great Omission* Too often laypersons wish to honor God but receive garbled signals from church leadership about the church's main purpose This book will become a lightning rod for change in returning our churches to the biblical message and suggesting the right methods to tell it Robert Blair is a retired pastor who served the Hollywood California Church of Christ for 28 years He is the author of *The Funeral and Wedding Handbook* as well as numerous articles in *Leadership* *20th Century Christian* and *Power for Today* Blair is a graduate of Pepperdine University where he earned both Bachelor and Master of Arts in Religion degrees He now resides in Cleghorn Iowa **The Great Omission** Steve Saint, 2001 **The Great Omission** JON W. NELMS, 2011-03-20 In his book *The Great Omission* missionary Jon Nelms tells it like it is by exposing the failures in missions and the reasons behind them as he leads

the reader to logical Biblical and proven solutions that if followed will allow this to be the first generation to fulfill the Lord's Great Commission since it was assigned some 2 000 years ago Drawing from the personal stories gleaned from his 24 years of missionary work around the world Jon will stir motivate and may even upset you In doing so he will challenge your conceptions and lead you to consider God's plan and methods that have been laid aside to perpetuate the unsuccessful unbiblical methods that have handicapped missionaries for centuries It is not likely that you can even get past the preface without your concept of missions being both challenged and changed *The Great Omission* Josh Hunt,2014-09-27 5 ready to use lessons on the topic The Great Omission Each lesson consists of 20 or so ready to use questions that get groups talking Answers are provided in the form of quotes from respected authors such as John Piper Max Lucado and Beth Moore These lessons will save you time as well as provide deep insights from some of the great writers and thinkers from today and generations past I also include quotes from the same commentaries that your pastor uses in sermon preparation Ultimately the goal is to create conversations that change lives **The Great Omission** Gene Gurganus,1983-08 The gospel of Jesus Christ does not change but conditions and cultures change For the soul winner who desires fruit that remains a knowledge of how to present the gospel to people with little or no knowledge of the Bible will enhance his witness and may increase his results Publisher from back cover *The Great Omission* Dallas Willard,2014-09-19 The Great Omission is that we have made Christians not disciples A call to rediscover active discipleship Studia Biblica Et Ecclesiastica ,1890 **The Musical Herald** ,1881 **The Sunday Magazine** ,1889 **The Works of William Carleton ...** William Carleton,1882 **Passiontide** Henry James Coleridge,1889 *The Galaxy* William Conant Church,1874 **Reminiscences of Prideaux John Selby, and Twizzell House; Also Brief Notices of Other North Country Naturalists** Leonard Jenyns,1885 **The Expositor** Samuel Cox,Sir William Robertson Nicoll,James Moffatt,1889 **Mind** ,1923 **The Parliamentary Debates** Great Britain.
