## Sourcebook About Christian Death:

*A Sourcebook about Christian Death* Virginia Sloyan, 1990 The Sourcebook series of anthologies gathers prose and poetry hymns and prayers from various times and traditions all centered on a particular theme from the seasons of the church year to the foundational moments in the life of a Christian Each collection offers a treasury of wisdom for use in homilies prayer services and personal meditation

**Death Liturgy and Ritual** Paul P. J. Sheppy, 2003 At the beginning of the twenty first century the Christian Church continues to minister to the dying and the bereaved However it does so in a rapidly changing world The traditional understandings of death and life after death are challenged by the disciplines of medicine the law philosophy psychology and anthropology This two volume study of Christian funerary theology and practice is written from the author's direct experience of conducting funerals and of drafting liturgical resources for others In Volume I Dr Sheppy argues that the Church ought to construct its theological agenda in dialogue with other fields of study He argues for a Christian statement about death that finds its basis in the Paschal Mystery since human death must be explained by reference to Jesus death descent to the dead and resurrection Volume II reviews a wide range of current Christian funeral rites and examines how they reflect both the Church's concern for the death and resurrection of Christ and the contemporary secular demand for funerals which celebrate the life of the deceased
