the Name James L. Nelson,2009-10-13 Then call us Rebels if you will we glory in the name for bending under unjust laws
and swearing faith to an unjust cause we count as greater shame Richmond Daily Dispatch May 12 1862 April 12 1861 With
one jerk of a lanyard one shell arching into the sky years of tension explode into civil war And for those men who do not know
in which direction their loyalty calls them it is a time for decisions Such a one is Lieutenant Samuel Bowater an officer of the
U S Navy and a native of Charleston South Carolina Hard pressed to abandon the oath he swore to the United States but
unable to fight against his home state Bowater accepts a commission in the nascent Confederate Navy where captains who
once strode the quarterdecks of the world s most powerful ships are now assuming command of paddle wheelers and
towboats Taking charge of the armed tugboat Cape Fear and then the ironclad Yazoo River Bowater and his men against
overwhelming odds engage in the waterborne fight for Southern independence **Southern Historical Society Papers**

University Magazine ,1894 **Secret History of Confederate Diplomacy Abroad** Edwin De Leon,2005 One of the South s
most urgent priorities in the Civil War was obtaining the recognition of foreign governments Edwin De Leon a Confederate
propagandist charged with wooing Britain and France opens up this vital dimension of the war in the earliest known account
by a Confederate foreign agent First published in the New York Citizen in 1867 68 De Leon s memoir subsequently sank out
of sight until its recent rediscovery by William C Davis one of the Civil War field s true luminaries Both reflective and
engaging it brims with insights and immediacy lacking in other works covering everything from the diplomatic impact of the
Battle of Bull Run to the candid opinions of Lord Palmerston to the progress of secret negotiations at Vichy De Leon
discusses among other things the strong stand against slavery by the French and a frustrating policy of inaction by the
British as well as the troubling perceptions of some Europeans that the Confederacy was located in South America and that
most Americans were a cross between Davy Crockett and Sam Slick With France s recognition a priority De Leon published

pamphlets and used French journals in a futile attempt to sway popular opinion and pressure the government of Napoleon III His interpretation of the latter s meeting with Confederate diplomat John Slidell and the eventual mediation proposal sheds new light on that signal event De Leon was a keen observer and a bit of a gossip and his opinionated details and character portraits help shed light on the dark crevices of the South s doomed diplomatic efforts and provide our only inside look at the workings of Napoleon s court and Parliament regarding the Confederate cause Davis adds an illuminating introduction that places De Leon s career in historical context reveals much about his propagandist strategies and traces the history of the Secret History itself Together they open up a provocative new window on the Civil War **Republican Campaign**
