Luard,1984 *Southern Spain* Albert Frederick Calvert,2015-06-25 Excerpt from Southern Spain Few travellers have leisure enough to traverse the wide realm of tawny Spain in its every part Those who must confine their attention to a single province naturally select Andalusia where all the Northerners preconceptions of the South find realization The wild scenery of Southern Spain the gay open air life of the people the monuments attesting the splendour of the extinct civilization of the Moor the spell of romance which still holds its cities makes this land one of the most interesting and fascinating in Europe to the artist the archaeologist and the dreamer The present volume mainly the embodiment of personal impressions and observations is intended partly to supply the place of a guide book to this part of the Peninsula and with that object I have brought together as much of history art and topography as the traveller is likely to assimilate Into the descriptive matter I have introduced a little gossip which will I hope be not found altogether irrelevant and may serve to beguile the tedium of a bare recital of facts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Insight Guides Southern Spain, Andalucía & Costa del Sol: Travel**
