The guide not only includes some of the best known circuit hikes of southern Arizona it also includes a number of previously unpublished trails that take you to places rarely seen by most hikers. More than 60 short Arizona hikes ranging from a fraction of a mile to just over 7 miles round trip. A mix of popular hikes and little known gems showcasing scenic Arizona hiking. Many hikes in or accessible from major metro areas plus destination parks and landmarks. Don and Barbara Laine present the best of the best of Arizona's short hikes with an emphasis on user friendly. To make selection easy a Hikes at a Glance chart lists trails by distance, elevation gain, difficulty and location. Other charts list hikes by best places to admire rock formations, see desert plant life, enjoy scenic views, explore historic and prehistoric sites, relax along a shady stream or lake, take the kids or see wildlife. Important details such as entry fees, restrooms, drinking water and campground information are listed up front. There's a map and elevation profile for each hike. That's to say nothing of the breadth of experiences from sandy desert floor to steep mountainside and riparian environment awaiting you or the detailed trail descriptions with tips on where Hollywood movies were filmed and background on old cabins and mines. Most hikes are rated easy or moderate, making them perfect for families plus a selection of more strenuous hikes. Regions include the Phoenix, Sedona, Tucson, southern Arizona and Flagstaff, northeastern Arizona areas, the Grand Canyon, north and south rims and Petrified Forest National Parks and Organ Pipe and Chiricahua National Monuments
