## **The Mask Of Priam:**

**The Mask of Apollo** Mary Renault,2015-08-06 Mary Renault is a shining light to both historical novelists and their readers She does not pretend the past is like the present or that the people of ancient Greece were just like us She shows us their strangeness discerning sure footed challenging our values piquing our curiosity she leads us through an alien landscape that moves and delights us HILARY MANTEL Mary Renault s portraits of the ancient world are fierce complex and eloquent infused at every turn with her life long passion for the Classics Her characters live vividly both in their own time and in ours MADELINE MILLER Combining the scholarship of a historian with the imagination of a novelist Mary Renault brings the ancient Greek stage thrillingly to life Set in fourth century B C Greece The Mask of Apollo is narrated by Nikeratos a tragic actor who takes with him on all his travels a gold mask of Apollo a relic of the theatre s golden age which is now past At first his mascot the mask gradually becomes his conscience and he refers to it his gravest decisions when he finds himself at the centre of a political crisis in which the philosopher Plato is also involved Much of the action is set in Syracuse where Plato s friend Dion is trying to persuade the young tyrant Dionysios the Younger to accept the rule of law Through Nikeratos eyes the reader watches as the clash between the two unleashes all the pent up violence in the city All my sense of the ancient world its values its style the scent of its wars and passions comes from Mary Renault I turned to writing historical fiction because of something I learned from Renault that it lets you shake off the mental shackles of your own era all the categories and labels and write freely about what really matters to you EMMA DONOGHUE There s much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes an important and wonderful writer she set a course into serious minded psychologically intense historical fiction that today seems more important than ever Sam Jordison *Guardian*

B. L. Webster,2025-12-01 Greek Theatre Production first published in 1956 is based on an expert knowledge of Greek plays and monuments In this second edition from 1970 Professor Webster made additions and corrections to bring it up to date Scenery staging and costumes are the three main topics These are treated chronologically within geographical areas and evidence is given for local productions of drama throughout the Greek speaking world from the sixth century B C to the Roman period The survival of local pre dramatic performances which may have affected local dramatic costume is examined here A final chapter collects the local evidence into a continuous story tracing the history of staging scenery and costumes from the earliest times and gives full weight to the dominating influence of Athens during the fifth and fourth centuries B C and the international character of Hellenistic production A catalogue lists over 250 of the most important monuments of which about 40 are illustrated and includes many which would not have been

found in the usual textbooks at the time     Reading Acts William Shiell,2021-11-15 William Shiell proposes that the book of Acts was performed orally by a lector in the early church following Greco Roman rhetorical conventions for recitation and delivery rather than directly read by an audience that was minimally literate Shiell's study outlines the function of the lector in Greco Roman times as a filter through which an audience would receive a text He describes the conventions for performers gestures facial expressions and vocal inflections found in material from Greco Roman literature and art that are mirrored in the book of Acts He examines how a reading of Acts in this light can fill interpretive gaps left by literary and rhetorical critical studies that focus on the reading rather than the hearing of biblical texts     *The Mask of Priam* Jon Aristides,2008-11-01 With the worldly experience of a modern explorer and the heart of a Gothic horror romancer Jon Aristides takes us on a journey from two thousand years ago right up until tomorrow In twenty seven tales of man's most enduring struggle between life and death Aristides provides shocks and food for thought at every turn of a page In the tradition of history's great chiller writers he plumbs the hearts and minds of his diverse characters and produces menacing tales of greed vanity dashed hopes and sudden tragedy all of which remind the reader of the smouldering bonfires of his own mortality     **Greek Theatre Production** Thomas Bertram Lonsdale Webster,1970     *A dictionary of Greek and Roman antiquities, ed. by W.
