

The SHOCKING STORY of  
**MELCHIZEDEK**  
and His CONNECTION to Christ!

# The Melchizedek Connection

**Benjamin Sargent**

## **The Melchizedek Connection:**

**The Melchizedek Connection** Joel Nederhood, **The Melchizedek Connection** Raymond E. Fowler, 2001 A masterful blend of historical fact educated speculation and exciting fantasy which may prove not to be far from the truth **The King-Priest in Samuel** Nicholas Majors, 2023-05-23 Scholars studying the ANE have noticed that Canaanite kings ruled as a representative of their god and served in a priestly role Yahweh allows Israel to have a king like all the nations Deut 17:14 but he shapes the monarchy according to his covenant A key question remains does God's allowance for a king like all the nations include a king priest model This study presents a synchronic view of the king as a priest within the MT of Samuel analyzing the motif and considering how the narrator heightens the hope for the coming anointed one whom the narrator describes as both king 1 Sam 2:10 and priest 2:35-36 This study will argue that from the monarchy's inception Yahweh considered Israel's kingship a sacral task My study examined the king as a priest through a synchronic literary theological approach

**Angels Associated with Israel in the Dead Sea Scrolls** Matthew L. Walsh, 2019-12-16 A well known characteristic of the sectarian Dead Sea Scrolls are their assertions that membership in the Qumran movement included present and eschatological fellowship with the angels but scholars disagree as to the precise meaning of these claims To gain a better understanding of angelic fellowship at Qumran Matthew L Walsh utilizes the early Jewish concept that certain angels were closely associated with Israel Moreover these angels which included guardians and priests were envisioned within apocalyptic worldviews that assumed that realities on earth corresponded to those of the heavenly realm A comparison of non sectarian texts with sectarian compositions reveals that the Qumran movement's lofty assertions of communion with the guardians and priests of heavenly Israel would have made a significant contribution to their identity as the true Israel

*The Royal Priest* Matthew Emadi, 2022-10-20 Relatively little has been written on Psalm 110 from a biblical theological perspective Most modern critical studies go behind the text concluding that Psalm 110 is essentially a political attempt to unite the Jebusite cult with the Davidic monarchy Evangelical interpreters take a more theological approach but rarely develop a satisfying answer to the question of how David would have come to the realization that the Messiah was to be a priest after the order of Melchizedek In this NSBT study Matthew Emadi shows how David came to this conclusion through his reading of the Torah consideration of the events in his own life and reflection on the contents of the Davidic covenant He also considers the impact of Psalm 110 on early Jewish literature and how the New Testament Gospel of Mark and Hebrews applies Psalm 110 to Christ By considering David's biblical warrant for bringing together priesthood and kingship in a single figure Emadi shows how we are able to uncover the biblical theological foundation on which Psalm 110 is built He situates Psalm 110 in Scripture's storyline showing that Melchizedek's royal priesthood is tied to creation and redemption Insightful and accessible The Royal Priest is a valuable new addition to the New Studies in Biblical Theology series An ideal commentary for students studying Psalm 110 pastors preaching from Psalm 110 and anyone looking for commentaries on the

Old Testament that dig deeper into its theology      **Rainbow Warriors Awake!** Aleia N. O'Reilly,1995-06      *Second Witness: Analytical and Contextual Commentary on the Book of Mormon* Brant A. Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God

*Hebrews Verse by Verse (Osborne New Testament Commentaries)* Grant R. Osborne,2021-09-28 The letter to the Hebrews is unique in the New Testament for its focus on the priesthood of Jesus and its interaction with the Old Testament But beyond this deep theology Hebrews is a practical book that addresses the very real challenges believers face when life gets difficult In Hebrews Verse by Verse the late Grant R Osborne with George H Guthrie shows readers how this beautifully crafted letter encourages believers to endure in faithfulness to Jesus By using Scripture and theology to lay the foundation for these exhortations the central message of Hebrews continues to be relevant for the church today Osborne s commentary delves into the grand implications of Christ s identity and its importance for our spiritual lives

**Before the Table** John Saul Howson,1875      **Hebrews** James Barmby,1886      **Notes on some prophecies indicating the probable relation between England and Egypt in the last days, by the author of Notes on Daniel** vii ,1887      **David Being a Prophet** Benjamin Sargent,2014-05-26 This book seeks to identify a distinct approach to

interpreting Scripture in the New Testament that makes use of assumptions about a text's author or time of composition. Focusing upon the Epistle to the Hebrews the Acts of the Apostles and the Davidssohnfrage in the Synoptic Gospels it is argued that in certain cases the meaning of a scriptural text is understood by the New Testament author to be contingent upon its history that the meaning of a text is found when the identity of its author is taken into account or when its time of origin is considered. This approach to interpretation appears to lack clear precedents in intertestamental and 1st Century exegetical literature suggesting that it is dependent upon distinctly Christian notions of Heilsgeschichte. The analysis of the Davidssohnfrage suggests also that the origins of this approach to interpretation may be associated with traditions of Jesus' exegetical sayings. A final chapter questions whether an early Christian use of history in the interpretation of Scripture might offer something to contemporary discussion of the continuing relevance of historical criticism.    **The Expository Times**
