**Hearing the Message of Daniel** Christopher J. H. Wright,2017-02-28 In many corners of the world these days the climate of hostility hangs over any overt Christian faith commitment Any kind of Christian commitment is now assumed to imply intolerance and often prompts reactions that range from a low grade hostility and exclusion in the West to the vicious and murderous assaults on Christian believers in Pakistan Nigeria Kenya Egypt Syria and Iraq and elsewhere Such issues are not new Christians have faced them ever since Nero s lions and even before that Jews also have faced the same questions all through their history most tragically sometimes enduring horrendous persecution from states claiming to be Christian So it is not surprising that the Bible gives a lot of attention to these questions The book of Daniel tackles the problem head on both in the stories of Daniel and his friends and in the visions he received A major theme of the book is how people who worship the one true living God the God of Israel can live and work and survive in the midst of a nation a culture and a government that are hostile and sometimes life threatening What does it mean to live as believers in the midst of a non Christian state and culture How can we live in the world and yet not let the world own us and squeeze us into the shape of its own fallen values and assumptions The book was written to encourage believers to keep in mind that the future no matter how terrifying it may eventually become rests in the hands of the sovereign Lord God and in that assurance to get on with the challenging task of living in God s world for the sake of God s mission

**The Book of Daniel** ,2008

Although the book of Daniel was written 2 500 years ago it contains God s message especially for the present time However it is about more than just an earthly battle between world powers Before our very eyes a cosmic battle between good and evil is being played out Daniel s vision of the end shall be hope for all Christians who take the message of the bible seriously

**The Message of Daniel** Ronald S. Wallace,1984-08-13 God had allowed the unthinkable to happen His people were in exile in Babylon His promises seemed shattered Was God really in control Was he still faithful Did he still care One young man Daniel affirmed that he did It was not without struggle and it cost him to do so But echoing through the centuries of history and resounding from the future that was revealed to him came the proclamation The Lord is King even in Babylon Parts of the book of Daniel have always been popular the exciting stories of three men in a fiery furnace Daniel in the den of lions and the strange handwriting on the wall which struck terror in the heart of the Babylonian king But beyond the drama the modern reader faces the enigmatic prophecies of the future What do they mean Were they for Daniel s near future or for ours Ronald S Wallace cuts through these difficulties and exposes the background and message of Daniel for both his day and ours

Wallace,1979    **God's Unfailing Purpose** Michael P. V. Barrett,2016-03-01 This is often the question of skeptics scoffers and even troubled souls Trials and tribulations of one sort or another crowd our personal lives while corruption conflict and catastrophe command the world scene Indeed where is God in all of this Asking the question is fair enough Answering demands caution God's Unfailing Purpose The Message Of Daniel is a cautious and biblical answer to that question This book focuses on the heavenly throne from which God rules according to His perfect will and unchangeable unfailing purpose God is in absolute control of all things the big issues of the world as well as the seemingly bigger issues of our lives Daniel's view of history and prophecy shows that God's kingdom is coming and that God's will is being done on earth as certainly as it is in heaven Daniel's message is simply Not to worry everything is under control    The message of daniel Ronald S.

Mervyn Maxwell,1981-02-01    **God Code** Timothy P. Smith,2017-04-04 The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye messages from God hidden for ages now revealed by modern computer technology In God Code antiquities expert Timothy P Smith reveals his decades long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible This painstaking search involves adventure and mystery but instead of consulting ancient maps to find buried treasure Smith relied on the data calculation power of modern technology His quest shows how Scripture is more amazing than we ever dreamed and that it may even reveal the future of generations living today God Code reveals An encrypted code in Genesis in the oldest known Hebrew text of the Old Testament that predicted the birth and resurrection of Jesus Scientific evidence that this encrypted code was authored by the divine hand of God Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity Hidden clues that may lead to the location of long missing sacred artifacts such as the Ark of the Covenant Insights on why Smith was chosen to uncover this encrypted code A dire warning that God wants us to hear and heed In the companion History Channel series the author travels across continents in search of artifacts missing since Bible times clues to their location revealed in God Code Previously published as The Chamberlain Key    Daniel Reveals the Future Robert J. Mervyn Maxwell,1986    **Daniel's Star** Randy Colver,2009-04-26 We all know the story of the Christmas wise men but do we know the story behind them Could it be that Daniel the chief magus of Babylon set the stage for their journey to the nativity Is he the reason behind one of the great enigmas of history And who can forget the epic story of Daniel the lion's den the handwriting on the wall or his friends in the fiery furnace In Daniel's Star we have a universally appealing biblical story of Daniel and his three friends as they face the danger mystery and intrigue of palace life in a strange land and yet remained true to their God    *The Conscious Teacher* Deborah Nichols Poulos,2020-01-13 The Conscious Teacher is about all kinds of strategies and techniques educators might

employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes The Conscious Teacher unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare's Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night's Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling     *Visions of Turmoil and Eternal Rest* Ebenezer A. Belete, Warren A. Shipton, 2011-09-19 One of the most fascinating periods of history must certainly be around the time of Daniel the prophets time sixth and fifth centuries B C It was then that many of the philosophies that were to exert a telling influence on Western thought and Christianity arose This is the period when Buddha Confucius Lao Tzu Zoroaster and Pythagoras developed their ideas In this book we consider the coded messages written by Daniel and later by the apostle John preserved in the Bible History offers outstanding confirmation of the accuracy of their predictions We indicate how past and developing world events fit into the fabric of prophecy     **Daniel's prophecies now being fulfilled** Ernest Peter Cachemaille, 1888
