The Message of Jesus Rev. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians The Method and Message of Jesus' Teachings Robert H. Stein, 1994-01-01 This useful and practical book provides the college student seminarian church study group and interested lay person with a much needed introductory guide on the how method and the what message of Jesus teachings In this revised edition Robert Stein updates his classic work adds a new bibliography and introduces use of the New Revised Standard Version of the Bible bringing this important text to a new generation of students **The Message of Jesus Christ** Mahatma Gandhi, 1963 *The Message Jesus Preached* Shane James, 2015-10-27 THINGS WERE DIFFERENT IN THE CHURCH JESUS STARTED We sing songs to Jesus We pray to Jesus But do we really know and understand what Jesus preached Before you say Yes and move on consider these shocking facts Most messages preached today have nothing to do with Jesus core message Christian universities that train pastors missionaries and priests dont have courses that teach what Jesus taught and its been this way for hundreds of years The majority of believers in Christ have little or no understanding of what Jesus said or what He meant when He said it God is realigning His church with the message Jesus preached and Hes doing it to prepare us for Jesus return Get ready for a journey through the Bible that will help you Challenge your Christian experience and knowledge of Jesus teachings Learn the true heart of Christs teachings as recorded in Gods Word Discover the Kingdom life Jesus provided for exemplified and taught Shed any belief barriers that have inhibited your spiritual life to

**The Message of Jesus to Men of Wealth** George Davis Herron,1891     The Kingdom of God John Fuellenbach,2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come     *Jesus: the Man, the Mission, and the Message* C. **The Message of Jesus to Men of Wealth (Classic Reprint)** George D. Herron, 2017-05-20 Excerpt from The Message of Jesus to Men of Wealth Among the notable signs of the times is what might be called for lack of a better term the intellectual supremacy of Jesus Christ He has always commanded the conscience even when the will has rebelled For nineteen hundred years men have acknowledged Him to be the loftiest exemplar of all moral excellence even though they refused to follow in His footsteps Men have willingly conceded to Him the deepest Spiritual insight and the highest authority touching religious truth even though they deemed the Sermon on the Mount inapplicable to practical life They are now beginning to see that His Words contain the solution of the great problems of this life as well as of that which is to come that He is the Saviour of society no less than of individual souls that to disregard His teachings is poor statesmanship and bad political economy as well as bad morals and irreligion Property is one of the central facts of civilization Its production transportation and distribution engage men's industries its acquisition is the common object of endeavor the love of it is the root of all evil It would have been strange indeed if the Great Teacher had had little or nothing to say concerning so great a factor in human life As a matter of fact he had very much to say concerning it not only by way of illustration but also touching the fundamental principles of its use About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Show Me This Man Called Jesus* Jean Preston, 2025-02-12 This book will kick up a lot of religious dust in all of us It's what we do when the dust settles and our eyes are opened that will determine where we go from here It is only when we see Him that we see our destiny We must not get offended with the truth The truth is the only thing that will set us free The enemy is behind offenses as he does not want us to reach our destiny Each one of us has a marvelous unique destiny marked out by the price Christ paid for it Hebrews 12:1b puts it simply Let us lay aside every weight and sin which does so easily beset us and let us run with patience the race that is set before us We would all agree that the church has a message for the world but would we all agree that the world has a message for the church They most assuredly do Their cries identify the reason Christ came to earth as a man and became the

sacrifice for those cries For every cry there is a provision in His sacrifice Has the church in general disclosed the real Christ and His sacrifice that brings wholeness and purpose for all people regardless of denomination race and background The world is crying out to the church Show Me This Man Called Jesus This book reveals truths to the world and the church that will awaken hope in both Hope awakened in the church will bring her out of law into grace Hope awakened in the world will bring the world to Christ

Liberating the Gospel David Smith,2020-04-28 Liberating the Gospel is prefaced by Tom Wright s claim that Christians have for too long read scripture with nineteenth century eyes and sixteenth century questions and that it is urgently necessary they learn to read with first century eyes and twenty first century questions The central section of the book concentrates on reading the narratives of the Galilean ministry of Jesus within their first century context then exploring Paul s mission in the setting of the urban and imperial world of Rome before offering reflection on the Apocalypse in the changed world following the destruction of Jerusalem Smith then concludes his treatise facing the twenty first century questions seeking to build a hermeneutical bridge to our globalized world As a whole this major book on Christian mission aims to contribute toward an understanding of how the dynamic message of Christ might be liberated to be heard as genuinely good news today in the process potentially transforming Christianity provided there is willingness to face opposition from a world resistant to the exposure of its injustices

**A Critical Introduction to the New Testament** Carl R. Holladay,2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into

Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture     The Unexpected Teachings of Jesus John Coleman,2002-01-14 The Unexpected Teachings of Jesus presents the Gospels not as simplistic solutions to everyday problems but as a collection of sacred stories that are challenging and can teach us all how to live in today s world Filled with wise wonderful and sometimes quirky stories from John Coleman s own life and experiences as a father teacher and minister the book delves into the Gospels to uncover the essence of what it means to believe in and follow the radical compassionate generous love of Jesus Reading this collection of reflections is like putting on a new pair of glasses It offers all Christians a new way of knowing Jesus words and shows us teachings are sometimes the opposite of what we thought we understood
