## The Of Vampires:

**Beyond the Moon (Mills & Boon Nocturne) (In the Company of Vampires, Book 3)** Michele Hauf,2014-09-01

Redeeming his soul Immortal witch Verity Van Velde knows how to look after herself But when a vampire with a grudge viciously steals the precious talisman she's been guarding it doesn't take long before she's swept into the strong arms of a devastatingly sexy vampire hunter [Encyclopedia of Vampire Mythology](#) Theresa Bane,2017-02-10 From the earliest days of oral history to the present the vampire myth persists among mankind's deeply rooted fears This encyclopedia with entries ranging from Abchanchu to Zmeus includes nearly 600 different species of historical and mythological vampires fully described and detailed [The Story of Vampires](#) Thomas G. Aylesworth,1977 Presents vampire lore from various parts of the world [The History and Folklore of Vampires](#) Charles River Charles River Editors,2017-01-26 Includes pictures

Includes historical accounts describing vampires Discusses the legends of vampires across various cultures and the evolution of the folklore Includes a bibliography for further reading Includes a table of contents People have always been afraid of the dead Since the dawn of humanity people have both cared for those who have deceased yet also tried to keep them away There are a myriad of legends and beliefs about the dead coming back and one of the more persistent ones is of the vampire Everyone has heard of vampires but few people are truly familiar with the history and folklore that have made the mythical beings so popular Indeed there are so many legends from so many cultures that it is difficult to come up with a hard definition and folklore is by its very nature unscientific but most people in the Western world think of vampires as those who come back from the grave to suck the blood or life essence from the living This common understanding of vampires actually obscures many European and most non European traditions of bloodsucking monsters For example in China Japan and the Middle East there are spirits that will drain the life force of an unwary person but these magical beings were never mortal humans In African and Native American traditions there are monsters that do the same but while they are supposed to be of this Earth they too are not human beings Furthermore folklore changes over time so the vampires people are familiar with today and the ones some people claim to actually meet bear little resemblance to the vampires of early modern Europe Stories change fiction turns to fact and vice versa and beliefs are constantly reinvented Ideas are adopted adapted and presented as true All the while the legend of the vampire remains The History and Folklore of Vampires chronicles how vampires became so popular Along with pictures and a bibliography you will learn about vampires like never before in no time at all
