

The background image is a high-angle, aerial photograph of a coastal salt flat or industrial area. The land is divided into numerous rectangular plots of varying sizes, some with dark, paved surfaces and others with lighter, sandy or salt-covered ground. The plots are arranged in a grid-like pattern, creating a geometric texture against the dark sky. The overall scene is vast and repetitive.

The Offshore Islanders:

The Offshore Islanders Paul Johnson,2013-10-31 A history of the English people In this much acclaimed book Paul Johnson looks back on two thousand years of English history and provides a radical interpretation of a remarkable people Provocative and incisive Johnson applies his journalistic skills to a shrewd analysis of the evolution of the English nation charting the growth of the small but newly independent state enveloped in the myths of the Dark Ages into its modern day status as a prominent player upon the world stage **The Offshore Islanders** Paul Johnson,1992-01-01 **The Offshore Islanders** Paul Johnson,1975 **The Offshore Islanders** Paul Johnson,1972 **The Offshore Islanders - Scholar's Choice Edition** Paul Johnson,2015-02-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Offshore Islanders - Primary Source Edition** Paul Johnson,2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **Double-Edged Sword** Appu K. Soman,2000-08-30 An examination of the political and diplomatic role of American nuclear weapons in conflicts with a non nuclear China in the Korean War and the Taiwan Strait crises of 1954 1955 and 1958 this study analyzes the American tendency to become involved in confrontations with far weaker powers over issues of very little strategic significance to the United States Washington threatens these adversaries with the use of incommensurate levels of force then ultimately backs down in the face of international and domestic opposition to ill considered plans to use force Unlike works on nuclear history that have either focused on superpower nuclear conflicts and ignored cases of American nuclear diplomacy toward non nuclear adversaries or those that have focused merely on the outcomes of nuclear threats against non nuclear powers this book considers in depth American nuclear diplomacy toward China during the whole period of Sino American military

confrontations Soman offers new insights on Truman's decision to enter the Korean War the extent of nuclear diplomacy during the war and the way in which the war ended He argues that the goal of American nuclear diplomacy in the spring of 1955 was to provoke a war with China rather than to deter a Chinese attack on Taiwan Finally he lays out for the first time in print the elaborate diplomacy that Secretary of State John Foster Dulles initiated to defuse the 1958 crisis involving a major shift in American policy that still remains hidden from the public as well as historians Highlighting the central role of nuclear diplomacy in these crises this book draws conclusions on the efficacy of such diplomacy the impact of these crises on the development of policies of massive retaliation and limited war the consequences of Dulles's brinkmanship and the revival of nuclear diplomacy by the Clinton administration in conflicts with non nuclear adversaries

Taiwan Straits Standoff Bruce A. Elleman,2021-08-10 Following the Nationalist defeat on the mainland in 1949 Chiang Kai-shek and his followers retreated to Taiwan forming the Republic of China ROC Tensions with the People's Republic of China PRC focused on control over a number of offshore islands especially Quemoy Jinmen and Matsu Mazu Twice in the 1950s tensions peaked during the first 1954-55 and second 1958 Taiwan Strait crises This small body of water often compared to the English Channel separates the PRC and Taiwan and has been the location for periodic military tensions some threatening to end in war Today relations between the ROC and PRC depend on quelling tensions over the Taiwan Strait This work provides a short but highly relevant history of the Taiwan Strait and its significance today

Taiwan Straits Bruce A. Elleman,2014-12-16 In Taiwan Straits Crisis in Asia and the Role of the U.S. Navy historian Bruce Elleman surveys the situation that has led to the current tensions between China and Taiwan Starting in 1949 the final phase of the civil war in China which ended with Communist rule of the mainland and nationalist control of Taiwan this work explores how the 100 mile wide passage of water known as the Taiwan Strait has served as the geographic flashpoint between the two nations Even though U.S. Navy destroyers have patrolled this body of water from 1950 to 1979 it has seen four crises 1954-55 1958 1962 and after the withdrawal of the U.S. Navy 1995-96 that threatened to push Taiwan and China to the brink of war Notwithstanding the role of the United States in defusing cross strait tensions for some three decades and the cold peace that has settled in since then the Taiwan Strait continues to be a major source of anxiety for the region and the world Taiwan Straits Crisis in Asia and the Role of the U.S. Navy traces the evolution of this tension between the two nations details the history of the crises between them and brings this story forward into the present by considering continuing sources of conflict present diplomatic efforts by the aggrieved nations and other key interests from the United States and Europe to other regional powers and future possible outcomes in the ongoing struggle between China and Taiwan relations Simply written and cogently argued it is the ideal source for military personnel diplomats and scholars and students of the modern Far East

Buell, Lee Sigelman, 2008 Ask most Americans and they'll tell you that presidential campaigns get dirtier and more negative with every election This text suggests that this may not be as true as we think and shows that over the last dozen elections negativity may have been well publicised but hasn't increased **Hidden Hand President** Greenstein, 1984-08-04 When Eisenhower left office more than twenty years ago he was generally regarded as the very model of an ineffective president a benign but politically indecisive

leader who reigned but did not rule Only now five unsuccessful presidents and a disastrous war later are we beginning to wonder how this seemingly bumbling and inarticulate man was able to get so much done while appearing to do so little In The Hidden Hand Presidency Fred I Greenstein one of the country s leading political scientists shows that behind Ike s bland statesmanlike exterior there was a distinctive self consciously articulated style of leadership Drawing on recently declassified confidential diaries letters and memoranda including evidence of a secret Eisenhower campaign to terminate Joe McCarthy s political effectiveness Greenstein shows us an intelligent and articulate leader who knew exactly what he wanted and was prepared to work hard to get it Time and again in the way he rallied subordinates and isolated political opponents in his maneuvers to win support among both isolationist right wingers and liberal Republicans Eisenhower proved himself a skilled politician while self consciously projecting an uncontroversial public image book jacket *Fodor's Guide to the Caribbean, Bahamas, and Bermuda* Eugene Fodor,1960 *Asian Recorder* ,1958 **Díosbóireachtaí Párlaiminte** Ireland.
