

The Old Testament

William Henry Green

The Old Testament:

How to Read the Old Testament Etienne Charpentier, 1982 This book is for those who want to read the Bible but don't know how to go about it. It is a modest yet ambitious guide to the Old Testament geared toward the adult learner. **The Old Testament in Seven Sentences** Christopher J. H. Wright, 2019-05-28 It's easy to see the Old Testament as confusing out of date or irrelevant. Using seven key sentences drawn straight from the Old Testament, Christopher J. H. Wright fits the pieces together, shows us the coherent whole, and points us toward Jesus. This short survey shows God's faithfulness and love for his people and illuminates how the Old Testament Scriptures prepared for the identity and mission of Jesus. The Old Testament John Kaltner, Steven Linn McKenzie, 2014-09-08 Designed for readers who have no familiarity with the Old Testament or Hebrew Bible, this introduction provides a complete overview of its development and its continuing interpretation. Each chapter follows the same four-part format: Content summarizes the biblical book being treated; Growth explains the process behind the book's composition according to the most up-to-date scholarship; Context describes the historical, literary, and social settings that were at work in the book's production; and Interpretation explores the various ways in which the book has been and continues to be understood in scholarly and religious communities. The Old Testament Its Background, Growth, and Content is an ideal classroom resource because even though it presents the biblical books in their canonical order, it can be read in any sequence to meet the needs and aims of a given course. The Old Testament Christoph Levin, 2005 Examining the Old Testament in its historical context, it also sheds new light on many of the shorter books, including Jonah, Job, Ruth, the Song of Solomon, Ecclesiastes, Esther, and Daniel. Encountering the Old Testament (Encountering Biblical Studies) Bill T. Arnold, Bryan E. Beyer, 2015-08-11 This new edition of a bestselling evangelical survey of the Old Testament, over 180,000 copies sold, has been thoroughly updated and features a beautiful new interior design. It is lavishly illustrated with four-color images, maps, and charts, and retains the pedagogical features that have made the book so popular: chapter outlines, objectives, and summaries; study questions; sidebars featuring primary source material, ethical, and theological issues; and contemporary applications, lists of key terms, people, and places, further reading recommendations, endnotes, and indexes. The book is supplemented by web-based resources through Baker Academic's Textbook eSources, offering course help for professors and study aids for students. **The Essence of the Old Testament** Ed Hindson, Gary Yates, 2012 Leading biblical scholars from Liberty University offer a thorough survey of the complete Old Testament with book introductions, theological concepts, practical applications, word studies, and more.
