The On Solace Paperback:

The Book on Solace Bo Yin Ra, 2006-02-01 I here intend to show you how one may come to find such solace within one's inner most self and then shall have no further need to be consoled by others No consolation you receive from others can ever free you from the shackles of your grief unless such comfort teaches you how you may break those chains yourself And how that inner art is learned and put to use the present work will teach you Solace is of value only as a counter force an energy that lends you strength to overcome the hostile force of grief No grief is everlasting and you alone have power to prolong its life beyond its given span If you would find enduring solace in yourself you must not blindly delve into your grief nor constantly reopen wounds that are about to heal It is above all else essential that your thoughts shall not continuously dwell upon and cleave to what you suffer
