The Marriage Of Time And Convenience:

The Marriage of Time & Convenience Robert Winder, 1994 Comic novel describing three hours in a life Keeping one eye on the clock and struggling to keep to his schedule Luke finds fierce cross currents of the city's daily routines threaten to sweep him away

Marriage of Time and Convenience Robert Winder, 1999-01 *His Convenient Marchioness* Elizabeth Rolls, 2022-05-26 A grieving Marquess in need of a wife sets his sights on a beautiful widow in this is delightful Regency romance After the loss of his wife and children the Marquess of Huntercombe closed his heart to love But now that he must marry to secure an heir he's determined that the beautiful impoverished widow Lady Emma Lacy should be his Emma has vowed never to marry for money so must refuse him But when her children's grandfather sets to steal them away from her she has no other option she must become the marquess's convenient bride

The Marriage Law of England James Thomas Hammick, 1887 Marriage in Contemporary Japan Yoko Tokuhiko, 2009-09-25 The phenomenon of bankonka postponement of marriage is increasingly reported in contemporary Japanese media clearly illustrating the changing patterns of modern lifestyles and attitudes towards marriage personal obligation and ambition This is the first book in recent years to explore the contemporary state of marriage in Japanese society Setting out the different perceptions and expectations of marriage in today's Japan the book discusses how economic issues and the family impact on marital behaviour Contrary to the views of some feminists that young women have no interest in improving their status and position this book argues that by delaying marriage and childrearing young women can be seen as rebels challenging Japanese patriarchal society Unlike many other studies it gives equal attention to male gender roles and masculinity exploring what constitutes being a real man in Japan through the analysis of mainstream and non mainstream conceptions of masculinity that co exist in contemporary Japan and considers the implications of such different roles for the institution of marriage It investigates the roles of wife and mother articulating why the strict division of labour defining men as breadwinners and women as homemakers became popular Moreover it describes the changing character of courtship relationships explaining why the norm has shifted from arranged marriages pre 1945 to love marriages after that period Finally it puts the Japanese experience into cross cultural international context with a series of comparisons with marriage elsewhere both in Asia including in Korea and Hong Kong and in western countries such as France Sweden Italy and the United States
