nothing more than a passing temptation to an upstanding gentleman like Richard if it weren't for the fact that she's trying to blackmail his father. Or as Grace sees it, trying to get justice and maybe just the slightest hint of revenge on the family that tore her life asunder when she was just a girl. And as for Lynsted, well, the stuffy humorless man wouldn't suffer for time spent in company more exciting than that of his company ledgers. Only when Richard gets Grace alone, she discovers he may know a thing or two about excitement after all.

The Marriage Ring A. J. Gordon, 1899 The Marriage Ring Jeremy Taylor, 2015-06-24

Excerpt from The Marriage Ring It is hoped that a reprint of our British Father's Sermon on Marriage with a diminished reproduction of the Arundel Society's copy of Perugino's Marriage of the Virgin for which I am indebted to the kind permission of the S. P. C. K. will be acceptable to those who would present an appropriate gift to their friends about to be married and that no cursory inspection of the volume will affright them with its aspect of learned quotation since the Bishop's meaning is always plainly to be understood without the translation of any of the Greek and Latin with which it is tessellated. The present text is an exact reprint of the eighteenth sermon of the Bishop's *Eniautos* A Course of Sermons for all the Sundays of the Year published in 1673 except in the following respects: 1 The designation of Sermon xviii recurring on every page has been omitted. 2 The quotations have been corrected so far as grammar and context demanded. 3 The Greek is printed in the modern character. 4 A few slight variations in wording and punctuation have been introduced for reasons explained in the notes.
