## **The Masonic Lost Word:**

The Lost Word of Freemasonry Hilton Hotema, 1996-09 1967 the hidden secrets of masonry Rare unusual symbolic illustrations seldom found in books Many say this is one of the most unusual books they have ever read Content Mystery Symbolism in the Beginning Ancient Zodiac 12 Labors of Hercules    **The Masonic Lost Word** Albert G. MacKey, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work    *The Hidden Secret Power of Freemasonry* Robert Kalian, P.M., 2022-08-01 It is entertaining to be anti-Freemasonic and perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society The Masonic term making good men better is the desire of the craft concerning all people living in a multicultural society to better themselves This is masonry in a nutshell To achieve this betterment takes a great deal of work and self-reflection which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world Contained herein are chapters on women in Freemasonry the Catholic Church and Freemasonry which contains an addendum relating to over one hundred cardinals and bishops who under pseudonyms were Freemasons a chapter on the 133rd Psalm providing a line-by-line interpretation of a work which provides the important ideological humanistic basis for both society and Freemasonry with an important chapter analyzing the final period of a man's life as it related to Ecclesiastes Chapter 12 Men join Freemasonry because in their hearts they seek to improve themselves In a reality any can start living as principled individuals exercising the same values without being a Freemason All that is required is desire and work effort with a foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one's self with thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with whom one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry's symbolism is taken from biblical sources especially Genesis

and the stories surrounding the building of King Solomon's temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry's major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin **De Quincey's Works** ... Thomas De Quincey,David Masson,1897 **The Masonic Review** ,1880 An Encyclopaedia of Freemasonry and Its Kindred Sciences: Comprising the Whole Range of Arts, Sciences and Literature as Connected with the Institution Albert Gallatin Mackey,1889 The Ineffable Name is the Great Mystery of Creation and Salvation Helena Petrovna

Blavatsky,2017-07-31 Unknown and Unknowable is the Supreme Mystery God It is the Voice of the Ineffable Name and the Wisdom of the Initiates Epopteia It is the Holy of Holies the Unity of Unities more ineffable than all Silence more occult than all Essence It is Plato's Unspeakable All He whom no person has seen except the Son It is Pythagoras Ineffable God's Name and key to the mysteries of the Kabbalah It is the Holy Word of God that no man knew but He himself The Name is Ineffable because non-existent It permeates the Moon and Stars yet It is different from the Moon and Stars It never differentiates but only emanates There is no need travelling to distant places to find It The Name is very nigh unto thee in thy mouth and in thy heart It may rush into infinite worlds in sleepless whirling yet It remains latent in the deepest recesses of thy heart The Ineffable Name is Deity Itself but not God Nameless unpronounceable yet universally diffused Essence the Ineffable is Kama Eros Phanes or noumenon of Fohat i.e. Divine Will or Eternal Desire of manifesting Itself through visible creation The Name lies hidden within the Pythagorean Tetrad or Tetractys It is expressed by the Tau Cross signet of the Living God The double motion of the philosophical cross is the great arcanum of life and being Deity is Nameless Numberless No thing Absolute Darkness God is quaternary Ineffable Silence Father Truth All powers and great symphonies of physical and spiritual nature lie inscribed within the Perfect Square That is why the Ineffable Name was replaced by the Sacred Tetrad or Tetractys the most binding and solemn oath with the ancient mystics There are three Tetrad the Unfathomable Father First Logos Its creative emanation or Heavenly Man Second Logos and the embodied reflection of the latter in humanity at large Third Logos or the Tetragrammaton of the Jews Only the first is the real Pythagorean Tetractys the other two are counterfeit The

Ineffable Word is identical with the Ineffable Name of the Masons and the Kabbalists The Word itself is only a substitute for the Masonic Lost Word and a comparatively modern invention The Lost Word is no word at all as in the case of the Ineffable Name It ought to stand as lost words and lost secrets in general Nor the Name is a name but Sound or rather Motion The Name is not ineffable it is unpronounceable or rather not to be pronounced     *The Works of Thomas De Quincey, "The English Opium Eater"* Thomas De Quincey,1871

Bruno.Joe Steve Swick III,Nicholas S. Litterski,2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded
