

THE master study BIBLE

Why just read the Bible when you can master it?

Some study Bibles are born simply to be popular. The Master Study Bible was created nearly 20 years ago... simply to be powerful. And now, this standard in authentic Bible study appears again with solid additions to its original cast, redesigned for a new generation and ready to take you in deep. Truly, you're choosing more than a study Bible - a complete library of hard-working tools that not only point but also teach:

A Bible Encyclopedia, with thousands of entries on important people, places, and events - your ever-present guide to Bible facts and information.

A Topical Concordance, where biblical terms and concepts gather in orderly groups for hours of conversation, understanding, and discovery.

Center Column References, providing a thorough, systematic study approach that allows the Bible to serve as its own best commentary...and at your own pace.

Add these to a full variety of other useful features:

- How to Read and Study the Bible
- One-Year Bible Reading Plan
- A Brief Life of Christ
- Harmony of the Gospels
- Bible book introductions
- Bible concordance
- Full-Color maps and more

You'll find what you've been missing in your personal Bible study. And though all these learning features are always available, they are placed apart from the Bible text itself so they are there when you need them, but easily put away when all you want is uncluttered, undisturbed reading.

Come in. Draw close.
Open wide.
Spend time with the Master.
