

# THE MAYDAY RAMPAGE

"When the gifted  
meets the gifted,  
something like  
this happens."  
—CLAYTON BESS

# The Mayday Rampage

**Wolfgang Guggemos**

## **The Mayday Rampage:**

The Mayday Rampage Clayton Bess, 1993 High school journalists Jess and Molly create an upheaval at school and in their community as they strive to write and publish a series of frank articles about AIDS for their school newspaper *HIV/AIDS in Young Adult Novels* Melissa Gross, Annette Y. Goldsmith, Debi Carruth, 2010-10-11 Not long after becoming public health concerns in the 1980s HIV and AIDS were featured in a number of works of fiction though such titles were written primarily for adult readers Mirroring the disease's indiscriminate nature however the subject would soon be incorporated into novels aimed at young adults Despite a need for accessible information on the subject it is difficult to identify fiction that contains material about HIV AIDS as these books are seldom catalogued for this content nor is this content consistently acknowledged in published reviews In *HIV AIDS in Young Adult Novels An Annotated Bibliography* the authors address this gap by identifying and assessing the full range of young adult novels that include HIV AIDS content This resource is comprised of two major parts The first part summarizes findings from a content analysis performed on novels written for readers aged 11-19 published since 1981 and featuring at least one character with HIV AIDS The second part is an annotated bibliography of the more than 90 novels identified for use in the study Each entry in the bibliography contains an annotation that summarizes the plot and how HIV AIDS is depicted in the story an indication of the accuracy of the HIV AIDS content a note on how central HIV AIDS is to the story and an evaluation of the literary quality of the book This work will assist readers in collecting, choosing, evaluating and using these works to educate readers about HIV AIDS Using Literature to Help Troubled Teenagers Cope with Health Issues Cynthia Ann Bowman, 2000-03-30 Today traditional illnesses and high risk behaviors of adolescents have become interrelated through the multitude of physical, social and emotional changes young people experience Good literature which gives adolescents the truth has incredible power to heal and to renew This reference resource provides a link for teachers, media specialists, parents and other adults to those novels that can help adolescents struggling with health issues Educators and therapists explore novels where common health issues are addressed in ways to captivate teens Using fictional characters these experts provide guidance on encouraging adolescents to cope while improving their reading and writing skills With the advancement in medicine traditional types of health issues such as birth defects, cancer and sensory impairment have shifted to more behavior related problems such as depression, alcoholism and eating disorders All of these issues and others are examined from both a literary and psychological perspective in thirteen chapters that explore health issues through fiction Each chapter confronts a different health issue and is written by a literature specialist who has teamed up with a therapist In each novel these experts define the central character's struggle in coming to terms with an issue and growing in response to their difficulties Annotated bibliographies of other works, both fiction and nonfiction, explore these same issues, give readers insight into helping teenagers with similar problems and provide the tools with which to get teenagers reading and addressing these problems **SRRT Newsletter** American
