The Me I See:

LET ME SEE THE SKY Dr. Surbhi Pareek, 2018-11-22 If you want to do something do it now If you want to open the door open it today If you want to climb climb high and if you dream dream big and turn it into reality The soul is willing and strong Flesh has to be made stronger Battles will never end War is yet to be fought Win I will Prove I must to myself The present is the most beautiful gift we have in our hand and it should be lived the way we want This book is all about understanding our own worth and live the life to its fullest in the best possible and in our own beautiful way It allows you to perceive life differently and explore what is coming your way It might help you in making you more aware of yourself aware of your own being and thus your contribution to the universe It is the story of a young girl Kashi and how she learned to break the boundaries and trust herself This story reminds you that the journey is more important and worth it than the destination So keep exploring because only this unprejudiced exploration and fearless learning will lead you towards a contented life Decisions are never right or wrong as they are a timely matter But your actions in the path of your decisions would surely prove them right or wrong A Monk Who Made Me See Life Differently Gomata Varanasi
