Michigan's Upper Peninsula Sonny Longtine,2014-02-04 Residents of the idyllic villages scattered throughout the Upper Peninsula's richly forested paradise live in quiet comfort for the most part believing that murder rarely happens in their secluded sanctuary³ but it does and more often than they realize This collection of twenty four legendary murders spans 160 years of Upper Michigan's history and dispels the notion that murder in the Upper Peninsula is an anomaly From the bank robber who killed the warden and deputy warden of the Marquette Branch Prison to the unknown assailant who gunned down James Schoolcraft in Sault Ste Marie Sonny Longtine explores the tragic events that turned peaceful communities into fear ridden crime scenes

John Norman Collins Darby Hamaker,2021-06-27 The Michigan Murders was a series of highly publicized killings of young women committed between 1967 and 1969 in the Ann Arbor Ypsilanti area of Southeastern Michigan by an individual known as the Ypsilanti Ripper the Michigan Murderer and the Co Ed Killer John Norman Collins

Summary of Edward Keyes's The Michigan Murders Everest Media, 2022-08-08T22:59:00Z Please note: This is a companion version not the original book Sample Book Insights 1. When Marilyn Pindar did not come home on Sunday night, her sister Sheila was alarmed. She and a couple of friends had dropped by the apartment a little after 7:30 the previous evening to find her sister out and after waiting a few minutes had left. They had not heard from Marilyn since. 2. The typical missing persons case is some restless student taking off on a lark. In such environments the police are usually hard-pressed to find anything suspicious. 3. Following her disappearance, the Pindars showed themselves to be people of extraordinary self-possession. They remained on the surface unruffled. The father returned to his job, the mother to her normal household routine. 4. The Marilyn Pindar case was opened up on July 11 when Detective Lieutenant Vern Howard was assigned to it. He pieced together a timeline of her last known movements on Sunday, July 9, the day she went missing. She went to church, then to the university, and finally to Silver Lake.

Murder in the Stacks David Dekok, 2014-09-02 On Nov 28, 1969, Betsy Aardsma, a 22-year-old graduate student in English at Penn State, was stabbed to death in the stacks of Pattee Library at the university's main campus in State College. For more than forty years, her murder went unsolved, though detectives with the Pennsylvania State Police and local citizens worked tirelessly to find her killer. The mystery was eventually solved after the death of the murderer. This book will reveal the story behind what has been a scary mystery for generations of Penn State students and explain why the Pennsylvania State Police failed to bring her killer to justice. More than a simple true crime story, the book weaves together the events, culture, and attitudes of the late 1960s, memorializing Betsy Aardsma and her time and place in history.

Terror in Ypsilanti: John Norman Collins Unmasked Gregory A. Fournier, 2016-09-06 Between the summers of 1967 through 1969, before the term "serial killer" was coined, a predatory killer stalked the campuses of Eastern Michigan University and the University of Michigan, seeking prey until he made the arrogant mistake of killing his last victim in the basement of his uncle's home. All-American boy John Norman Collins was arrested, tried, and convicted of the strangulation murder of Karen Sue Beineman. The other murders attributed to Collins never went to trial, with one exception, and soon became cold cases. With the benefit of fifty years of hindsight, hundreds of vintage newspaper articles, thousands of police reports, and countless interviews, *Terror in Ypsilanti: John Norman Collins Unmasked* tells the stories of the other victims. It recreates the infamous trial that took Collins off the streets and details Collins' time spent in prison. *Terror in Ypsilanti* compiles an array of physical and circumstantial evidence, drawing an unmistakable portrait of the sadistic murderer who slaughtered these innocent young women.
