The Mighty Ones:

Divine Frustrations Jason L. Moore, 2023-11-21 The Bible encourages believers to love God with all their hearts Interestingly enough there is no command to like God Is the admonition to like God conspicuously absent due to its inherent difficulty If we are honest we can safely affirm that there are unlikable realities about our world that critics allege reflect poorly on the perceived nature of God However there is a lack of awareness regarding alternative ways to understand such realities Divine Frustrations is an attempt to bridge that gap by providing a balanced engaging approach to revisiting the unpleasant aspects of God's dealings with humanity Drawing on decades of interactions with students atheists critics inmates and church members as well as people from all walks of life Moore offers reflections on both sides of the most common complaints leveled against God Whether you are a believer or a skeptic your approach to various topics will be challenged If you are open to considering alternatives to what you believe as well as new insights into your own views read on **Eve** Dale Stubbart, Everybody has a different notion of what Heaven is like In the Heaven where Jane lives everybody is expected to use The Will to do things Using the Will people in Jane's Heaven merely have to think to accomplish anything They never have to get their hands dirty touching anything Jane though wants to touch things She wants to feel them in her hands And because she refuses to use her will she falls from societal acceptance and then she falls from Heaven But falling from Heaven may be her saving grace Read this book to follow Jane's story where she finds her soulmate and gets her name changed to Eve Eve is a Sci Fi Fantasy version of the Biblical story of Eve and Adam In this version Eve is the main character and no longer a villain Adam and Eve is also a story in Judaism and Islam Other stories of the first two Earthlings include Embla and Ask Lif and Lifthrasir Maganda and Malakas Satarupa and Swayambhu Manu Mashyana and Mashya Jiva and Atman Rating PG13 Reading Level Easy 5th Grade Longest Word Unceremoniously [Arcana Coelestia: Genesis](#) Emanuel Swedenborg, 1837 [A Complete Concordance to the Bible of the Last Translation ... Testament to modern readers This commentary begins with an introduction which gives an overview of the issues of date authorship sources and so on but which also outlines more fully than usual the theology of the Psalms and provides pointers toward its interpretation and contemporary application The annotated translation of the Hebrew text by the author forms the basis for the subsequent commentary The form and structure section examines the context of a passage its use of rhetorical devices and source and form critical issues The comment section is a thorough detailed exegesis of the historical and theological meaning of the passage The explanation the goal of the commentary offers a full exposition of the theological message within the framework of biblical theology and a commitment to the inspiration and authority of the Old Testament
