Be Whole, Not Just High-Performing: Integrate Mind, Spirit, And Real Identity Sybex Books,2025-06-22 High achievement means nothing if you re emotionally disconnected spiritually drained or constantly questioning your worth behind closed doors Be Whole Not Just High Performing is your guide to breaking the burnout cycle and reconnecting with the deeper parts of yourself you ve neglected in the name of success This book isn t about choosing between your ambition and your peace it s about integrating both so you can lead build and live from a grounded place of wholeness Inside you ll explore how to move beyond external validation and achievement addiction You ll learn how to bridge the gap between the version of you the world applauds and the one who silently asks Is this really all there is This isn t just mindset work it s soul work You ll uncover where you abandoned your true identity in the pursuit of productivity and how to return to the inner wholeness that gives your performance lasting power Whether you re a leader entrepreneur creator or simply someone exhausted by pretending to have it all together this book offers a new path one where your value isn t based on output but on alignment It s time to stop performing It s time to return to yourself Because the goal isn t to be the best version of a fractured identity It s to become fully whole and let your entire life reflect it The Platonist, ed. by T.
