The Of Ruth:

The Gospel of Ruth Carolyn Custis James,2009-08-30 This isn't the Ruth the Naomi or the Boaz we thought we knew Carolyn James has unearthed startling new insights from this well worn story insights that have life changing implications for you Naomi is no longer regarded as a bitter complaining woman but as a courageous overcomer A Female Job Ruth typically admired for her devotion to Naomi and her deference to Boaz turns out to be a gutsy risk taker and a powerful agent for change among God's people She lives outside the box and her love for Yahweh and Naomi compels her to break the rules of social and religious convention at nearly every turn Boaz the Kinsman Redeemer is repeatedly caught off guard by Ruth's initiatives His partnership with her models the kind of male female relationships that the gospel intends for all who follow Jesus Carolyn James drills down deeper into the story where she uncovers in the Old Testament the same passionate counter cultural rule breaking gospel that Jesus modeled and taught his followers to pursue Within this age old story is a map to radical levels of love and sacrifice combined with the message that God is counting on his daughters to build his kingdom The Gospel of Ruth vests every woman's life with kingdom purposes and frees us to embrace wholeheartedly God's calling regardless of our circumstances or season of life This story of two women who have lost everything contains a profound message God created women not to live in the shadowy margins of men or of the past but to emerge as courageous activists for his kingdom

The Message of Ruth David Atkinson,2022-04-21 The Book of Ruth is a tale of charm and delight providing a contrast to the concurrent anarchy depicted in the book of Judges Telling the simple story of a family who are struck by tragedy but experience love and acceptance in unexpected ways in Ruth's narrative we are clearly shown God's guiding hand as everything endured leads to the births of both King David and finally Jesus Christ David Atkinson illuminates The Message of Ruth in this encouraging and thoughtful commentary showing us how theologically the story of Ruth is a story about God's providence From Naomi and Ruth herself to Boaz he guides us through the narrative and explores how each character fits into God's purposes for history and what that means for us living as Christians today A revised edition in the much loved Bible Speaks Today series of commentaries The Message of Ruth offers a thorough readable exposition of both the Biblical text and what it can teach modern Christians Used by Bible students and teachers around the world the Bible Speaks Today commentaries are ideal for students and preachers who are looking to broaden their knowledge and understanding of Scripture and its continued relevance in the twenty first century This beautifully redesigned edition has been sensitively updated to include modern references and use the NIV Bible text The Message of Ruth will be helpful for anyone looking for accessible commentaries on Ruth that explore it more deeply considering its meaning both for its original audience and for Christians reading it today

Identity and Ethics in the Book of Ruth Peter H. W. Lau,2011 This study demonstrates the importance of including narrative ethics in a construction of Old Testament ethics as a correction for the current state of marginalisation of narrative in this discipline To this end the concept of identity is used as a lens through

which to understand and derive ethics Since self conception in ancient Israel is generally held to be predominantly collectivist in orientation social identity theory is used to understand ancient Israelite identity Although collectivist sensitivities are important a social identity approach also incorporates an understanding of individuality This approach highlights the social emphases of a biblical text and consequently assists in understanding a text's original ethical message The book of Ruth is used as a test case employing a social identity approach for understanding the narrative but also to model the approach so that it can be implemented more widely in study of the Old Testament and narrative ethics Each of the protagonists in the book of Ruth is examined in regards to their personal and social self components This study reveals that the narrative functions to shape or reinforce the identity of an ancient Israelite implied reader Since behavioural norms are an aspect of identity narrative also influences behaviour A social identity approach can also highlight the social processes within a society The social processes taking place in the two most commonly proposed provenances for the book of Ruth are discussed the Monarchic and Persian Periods It is found that the social emphases of the book of Ruth most closely correspond to the social undercurrents of the Persian Period On this basis a composition for the book of Ruth in the

Romance and Redemption: Enjoy the Book of Ruth Timothy Cross, 2019-05-15 The book of Ruth is a moving story of romance and redemption It begins tragically yet ends wonderfully Why Because the God of the Bible is able to do far more abundantly than all that we ask or think Ephesians 3:20b In the book of Ruth we glimpse the wonderful providence of God at work The book proves the truth of Romans 8:28 that in everything God works for good with those who love him who are called according to his purpose The book of Ruth is a story of romance a romance between Ruth and Boaz and also a story of redemption Ruth a nobody became a somebody eventually marrying into the Messianic line How By the amazing grace of God And it is the same today By nature we are sinners helpless and hopeless But by the grace of God in Christ our sins are forgiven and we become the adopted children of God and heirs of eternal blessedness heirs of the very kingdom of heaven These and others are some of the encouraging lessons we glean in the book of Ruth Come then and be blessed by this lovely portion of the Word of God and enjoy the book of Ruth **In the corn fields: the story of Ruth**
