The Old Testament Prophets:

The Old Testament Prophets Eric William Heaton, 1977 Prophecy and the Prophets of the Old Testament John F. A. Sawyer, 1987 In this original and authoritative study Sawyer explores the work of biblical prophets and Jewish and Christian interpretations of prophecy **Dictionary of the Old Testament: Prophets** Mark J. Boda, J. Gordon McConville, 2012-05-17 With this new volume IVP's Black Dictionary series completes its coverage of the Old Testament canonical books A true compendium of recent scholarship the volume includes 115 articles covering all aspects of Isaiah Jeremiah Ezekiel the twelve minor prophets and Daniel Dictionary of the Old Testament: Prophets G McConville, Mark J Boda, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel's unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament **Old Testament Prophets for Today** Carolyn J. Sharp, 2009-03-13 The prophets of the Old Testament include such well known characters as Isaiah Jeremiah Amos and Hosea There are however many other prophets both in the biblical books that bear their names and in the other histories and stories of ancient Israel Carolyn Sharp offers a brief introduction to each of the Bible's prophets and their prophetic books developing the theological themes present in each with an eye toward how the prophetic message is relevant today The For Today series was designed to provide reliable and accessible resources for the study and

real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use

Old Testament Prophets, Then and Now Howard Bean, 2012-10-11 This book seeks to get the attention of the Christian community that calls themselves the body of Christ because the revelation that God has given author Howard Bean concerning this book is to open the blinded eyes of those that have become hardhearted rebellious and backslidden to what God says in his Word The prophets that have been used in this book present a clear picture of the type of apostasy that we have today which are those who twist his Word and disobey the word of God This book is to warn the church of the apostasy that they have gotten themselves into as Israel had done against God years ago in the Old Testament If we as children of God will open his Word and asked him to open our blinded eyes in the name of Jesus for the truth that is not being preached today in many churches then he will do so as Jesus said ask and you shall receive In many ways this book can be used as a guide to help Christians study the Word of God but it is not to replace the Word as many have and caused error in the church It also can be used in Sunday school as a tool to help teach students from teenagers to adults the truth of how God expects his children to live for him and have faith as the prophets of the Old Testament shows every one today

An Introduction to the Old Testament Prophetic Books C. Hassell Bullock, 2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis They saw themselves as being a part of a story that God was weaving throughout history a story of repentance encouragement and a coming Messiah In this updated introductory book each major and minor prophet and his writing are clustered with the major historical events of their time Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In

these pages C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them *The Prophets of the Old Testament* Alexander Reid Gordon,1916 **An Introduction to the Old Testament Prophets** Hobart E. Freeman,1983 *The Old Testament Prophetic Books* Israel P. Loken,2010 The Old Testament Prophetic Books An Introduction is a valuable reference tool designed for those students who want a comprehensive guide to the Old Testament prophetic books The book serves primarily as an introduction providing a thorough discussion of introductory matters such as authorship date historical background purpose structure and outline The book also functions as a sort of survey handbook providing a summary of the contents of each book accompanied by helpful background information such as the meaning of character s names and the dates of significant events Finally the book acts as a study guide providing a series of study questions at the end of each chapter for review and discussion Israel P Loken is Chair and Professor of the Bible and Theology Departments at College of Biblical Studies He is also Adjunct Professor of Bible Exposition at Dallas Theological Seminary He previously taught at Dallas Christian College Dr Loken has earned degrees from Lancaster Bible College B S and Dallas Theological Seminary Th M and Ph D He is a frequent speaker at churches conferences and schools He is the author of the Loken Expositional Commentary series Dr Loken and his wife Kimberley live in Houston TX **Introduction to the Prophets** Paul L. Redditt,2008-11-03 Writing in a conversational rather than a scholarly tone Paul Redditt assumes little or no prior knowledge of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible The chapters of Redditt s Introduction to the Prophets discuss the place of each book in the canon the literary setting of each book their structure integrity and authorship the main genre s in each special features of each book basic emphases of each book and problems theological literary or historical raised by a study of the book Among other things Redditt demonstrates that the prophets were both foretellers and forthtellers and he argues that the Old Testament prophets developed the concept of monotheism Each chapter ends with questions for further reflection Concluding the volume are a helpful glossary and several indexes **The prophets and kings of the Old Testament, sermons** John Frederick Denison Maurice,1853 *The Major Prophets* James E. Smith,1992 The Major Prophets is the fourth volume of a solid concise study through the Old Testament This volume covers Isaiah Jeremiah Lamentations Ezekiel and Daniel This hardcover study has quickly become a valuable aid for students and teachers alike James E Smith has written a concise clear informative easy to read series that should be in every Christian s library It is both scholarly and practical At College Press our motto is Every Christian a Bible Student This is the kind of helpful challenging resource that represents the very essence of that motto In addition to first rate commentary Smith has included charts maps mnemonic devices and outlines to help the Old Testament come alive About the author James E Smith received his undergraduate and seminary training at Cincinnati Bible Seminary He was awarded the PhD degree by Hebrew Union College Jewish Institute of Religion Dr Smith Has served congregations in Ohio and Kentucky For thirteen years he

was Professor of Old Testament at Cincinnati Bible Seminary He currently serves Florida Christian College as Chairman of the Division of Biblical Studies *A Short Introduction to the Old Testament Prophets* Eric William Heaton,1996 This authoritative text covers all the great prophets including Isaiah Ezekiel and Jeremiah against the context of their lives and times Isaiah and the Prophets Monte S. Nyman,1984 Handbook of the Old Testament Prophets James Manthey,2016-05-10 What do the Old Testament prophets have to say about Jesus Christ our salvation through Christ our relationship with God because of all that Christ has done for us They have much to say and this should be our focus Look everywhere here and you will find many hints of the Messiah the Meshiach as Hebrew pronounces the word The question may be asked Is there a way to present the great prophecies of the Bible in a way that causes us to grasp better the essentials and capture some of the beauty and majesty God s spokesmen must have felt when writing The Lord has moved me I believe to generate a format that displays the truths of Scripture in such a way With the Spirit s help our heightened curiosity will more likely bear fruit leading to further study and discussion My prayer is that the Spirit will work through the suggestions here to lead the reader to a place of self discovery going hand in hand with a closer relationship to Jesus The Prophets and Kings of the Old Testament.
