**The One-Star Jew** David Evanier, 2014-06-17 Signature David Evanier a story collection so wickedly funny and painfully honest you won't know whether to laugh cry or curl up in a ball and moan with delight New York writer Bruce Orav is crumbling Every time his father speaks I thought there was a chance you'd have a bestseller sometime I guess that's dead huh Bruce loses another piece of himself The same thing happens at the Jewish philanthropic organization where he earns a steady if not exactly generous paycheck and is regularly subjected to the musings of Luther his cynical coworker My experience has always been that kids are cannibals and killers Not even the weekly volunteer visits he and his wife Susan make to an elderly Jewish woman's home give Bruce the chance to stitch himself back together again every trip is marred by another wildly inappropriate and combative scene between the quarrelsome eighty four year old and her African American caretakers With nowhere safe to turn what is Bruce to do His therapist wants him to join a dating club but there is only one real answer Keep living because the future fingers crossed is almost guaranteed to be better than the past And just as important keep laughing Thankfully David Evanier is here to make the laughter part as easy as reading *The One Star Jew*

**The Jews of Nazi Vienna, 1938-1945** Ilana Fritz Offenberger, 2017-05-11 This book examines Jewish life in Vienna just after the Nazi takeover in 1938 Who were Vienna's Jews how did they react and respond to Nazism and why Drawing upon the voices of the individuals and families who lived during this time together with new archival documentation Ilana Offenberger reconstructs the daily lives of Vienna's Jews from Anschluss in March 1938 through the entire Nazi occupation and the eventual dissolution of the Jewish community of Vienna Offenberger explains how and why over two thirds of the Jewish community emigrated from the country while one third remained trapped A vivid picture emerges of the co dependent relationship this community developed with their German masters and the false hope they maintained until the bitter end The Germans murdered close to one third of Vienna's Jewish population in the final solution and their family members who escaped the Reich before 1941 chose never to return they remained dispersed across the world This is not a triumphant history Although the overwhelming majority survived the Holocaust the Jewish community that once existed was destroyed
