JESUS REVOLUTION

The Other Jesus

Philip Schaff

The Other Jesus:

The Other Jesus Greg Garrett, 2011-02-08 According to recent surveys many Americans associate the label Christian with judgmental attitudes hypocrisy a fear of hell and a commitment to right wing politics Author Greg Garrett suggests another way arguing that a faith that focuses solely on personal morality and the afterlife misses much of the point of Jesus message This other way of following Christ is not concerned with an array of commandments or with holding the right beliefs Rather it is centered on loving each other and loving God what Garrett calls love where the rubber meets the road where faith meets the world Personal and moving the book relates Garrett s experiences growing up in and leaving a disapproving conservative church and then finding his way back into a different kind of Christian community one that is communal missional just and loving Garrett draws on popular culture to illustrate his spiritual points showing how authentic Christian truth can be found in unlikely places

The Other Jesus Todd Outcalt, 2014-09-05 We re familiar with the Jesus portrayed in the New Testament but many people are surprised to learn that a wealth of stories and traditions about Jesus have always existed alongside the usual Biblical sources Judaism Islam and Buddhism among other religions have created their own tales about Jesus sometimes out of necessary self preservation and reaction to the claims of the church but more often through thoughtful and artistic adaptation *The Other Jesus* explores these varied traditions and offers a fresh exploration of Jesus new perspectives that challenge long accepted beliefs about his place in history and his impact on other religions
