The Official Garlic Lover's Handbook Lloyd J. Harris, Lovers of the Stinking Rose, 1986-06-01 Briefly traces the history of garlic explains how to grow and cook with it shares a variety of recipes and discusses garlic's medicinal properties **The Official Garlic Lover's Handbook** Lovers of the Stinking Rose, Lloyd J. Harris, 1986-01-01 **A Miscellany of Garlic** Trina Clickner, 2011-11-18 From ancient Greek lore to vampire movies and modern medicine what other herb invokes such strong feelings in people as allium sativum better known as garlic Most people know garlic can season food and may even protect from evil spirits but they may not know it can cure colds attract lovers and sweeten luck until now A Miscellany of Garlic reveals all of the splendors of this amazing plant including to keep them safe and strong Egyptian slaves chewed on garlic while building the pyramids eating garlic can help repair lung damage caused by smoking Tibetan monks were banned from eating garlic due to its reputation as an aphrodisiac large quantities of raw garlic can prevent roundworm and other parasites and a mixture of crushed garlic and water can rid roses of aphids Packed with hundreds of aromatic facts trivia and quick to table recipes A Miscellany of Garlic is an homage to the savory herb no garlic lover can resist **Garlic Capital of the World** Pauline Adema, 2010-02-17 According to Pauline Adema you smell Gilroy California before you see it In Garlic Capital of the World the folklorist and culinary anthropologist examines the role of food and festivals in creating a place brand or marketable identity The author scrutinizes how Gilroy California successfully transformed a negative association with the pungent bulb into a highly successful tourism and marketing campaign This book explores how local initiatives led to an iconization of the humble product in Gilroy The city a well established agricultural center and bedroom community south of San Francisco rapidly built a place brand identity based on its now famous moniker Garlic Capital of the World To understand Gilroy's success in transforming a local crop into a tourist draw Adema contrasts the development of this now thriving festival with events surrounding the launch and demise of the PigFest in Coppell Texas Indeed the Garlic Festival is so successful that the event is all that many people know about Gilroy Adema explores the creation and subsequent selling of foodscapes or food themed place identities This seemingly ubiquitous practice is readily visible across the country at festivals celebrating edibles like tomatoes peaches spinach and even cauliflower Food Adema contends is an attractive focus for image makers charged with community building and place differentiation Not only is it good to eat food can be a palatable and marketable symbol for a town or region **The Book of Garlic** Lloyd J. Harris, 1988 **The Oxford Companion to Food** Alan Davidson, 2014 the best food reference work ever to appear in the English language read it and be dazzled Bee Wilson New Statesman First published in 1999 the ground breaking Oxford Companion to Food was an immediate success and won prizes and accolades around the world Its blend of serious food history culinary expertise and entertaining serendipity was and remains unique Interest in food cooking and the culture surrounding food has grown enormously in the intervening period as has the study of food and food history University departments international societies and academic journals have

sprung up dedicated to exploring the meaning of food in the daily lives of people around the world alongside an ever increasing number of articles books programmes and websites in the general media devoted to the discussion of food making the Oxford Companion to Food more relevant than ever Already a food writing classic this Companion combines an exhaustive catalogue of foods be they biscuits named after battles divas or revolutionaries body parts from nose to tail toe to cerebellum or breads from the steppes of Asia or the well built ovens of the Mediterranean with a richly allusive commentary on the culture of food expressed in literature and cookery books or as dishes peculiar to a country or community While building on the Companion s existing strengths Tom Jaine has taken the opportunity to update the text and alert readers to new perspectives in food studies There is new coverage of attitudes to food consumption production and perception such as food and genetics food and sociology and obesity New entries include terms such as convenience foods drugs and food Ethiopia leftovers medicine and food pasta and many more There are also new entries on important personalities who are of special significance within the world of food among them Clarence Birdseye Henri Nestl and Louis Pasteur In its new edition the Companion maintains its place as the foremost food reference resource for study and home use **Forthcoming Books**
