The Orton Diaries:

The Orton Diaries Joe Orton,1986 **The Orton Diaries** Joe Orton,1996-08-22 To be young good looking healthy famous comparatively rich and happy is surely going against nature When Joe Orton 1933 1967 wrote those words in his diary in May 1967 he was being hailed as the greatest comic playwright since Oscar Wilde for his darkly hilarious Entertaining Mr Sloane and the farce hit Loot and was completing What the Butler Saw but less than three months later his longtime companion Kenneth Halliwell smashed in Orton s skull with a hammer before killing himself The Orton Diaries written during his last eight months chronicle in a remarkably candid style his outrageously unfettered life his literary success capped by an Evening Standard Award and overtures from the Beatles his sexual escapades at his mother s funeral with a dwarf in Brighton and extensively in Tangiers and the breakdown of his sixteen year marriage to Halliwell the relationship that transformed and destroyed him Edited with a superb introduction by John Lahr The Orton Diaries is his crowning achievement **The orton diaries** John K. Orton,1989 *Diaries* Joe Orton,Edna Welthorpe,1986 Diary of a Somebody John Lahr,1989 **The Clinical Journal** ,1900 **Diary Poetics** Anna Jackson,2010 The diary is a genre that is often thought of as virtually formless a capacious hold all for the writer e tm s thoughts and as offering unmediated access to the diarist e tm s true self Focusing on the diaries of Katherine Mansfield Virginia Woolf Antonia White Joe Orton John Cheever and Sylvia Plath this book looks at how six very different professional writers have approached the diary form with its particular demands and literary potential As a sequence of separate entries the diary is made up of both gaps and continuities and the different ways diarists negotiate these aspects of the diary form has radical effects on how their diaries represent both the world and the biographical self The different published editions of the diaries by Katherine Mansfield Virginia Woolf and Sylvia Plath show how editorial decisions can construct sometimes startlingly different biographical portraits Yet all diaries are constructed and all diary constructions depend on how the writer works with the diary form
