

The Medici Volume Two

Colonel G. F. Young

The Medici Volume Two

Rosina Ehmann

The Medici Volume Two:

The Medici Volume 2 George Frederick Young, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1911 edition Excerpt accompanies a cruel nature He never ventured into a battle himself sending other men to risk their lives for his advantage and he carefully surrounded himself with a body guard which his cruelties made a very necessary precaution But the defects of a cruel and ignoble disposition must not be allowed to hide his undoubtedly great work for his country In thinking of Tuscany we are too apt to regard it as it had become in the beginning of the eighteenth century and so to lose sight of the prosperous kingdom which Cosimo I created in the sixteenth It is indeed strange to compare the small misgoverned and insignificant state which this son of Giovanni delle Bande Nere and Maria Salviati seized by his bold coup d etat of 1537 its capital half ruined by the long siege of 1530 its scanty territory devastated by the war and its whole condition brought to degradation by Alessandro s five years misrule with the large and flourishing kingdom which Cosimo its first Grand Duke left to his successors He found Tuscany a small and despised state dependent on a foreign power without troops commerce agriculture or resources with ruined towns a wasted country and a poverty stricken population He left her a large and independent kingdom with a powerful army a rising fleet flourishing manufactures wide commerce sound laws model public works a well ordered administration and a thriving people He successfully resisted the most powerful Pope of his time and governed three others in succession he saved Tuscany from becoming like Milan a province of Spain and he made her the leading state in Italy There is probably no other example of so small a state advancing within a period of some thirty years to a position of power

Social History of Art, Volume 2 Arnold Hauser, 2005-07-15 First published in 1951 Arnold Hauser s commanding work presents an account of the development and meaning of art from its origins in the Stone Age through to the Film Age This new edition of a classic work offers a contemporary introduction

World's Great Men of Color, Volume II J.A. Rogers, 2010-07-06 An eye opening account of the great black personalities of world history In this first volume outstanding blacks of Asia and Africa and historical figures before Christ including Akhenaton Aesop Hannibal Cleopatra Zenobia Askia the Great the Mahdi Samuel Adjai Crowther and many more World s Great Men of Color is a comprehensive account of the great Black personalities in world history J A Rogers was one of the first Black scholars to devote most of his life to researching the lives of hundreds of men and women of color This first volume is a convenient reference equipped with a comprehensive introduction it treats all aspects of recorded Black history J A Rogers s book is vital reading for everyone who wants a fuller and broader understanding of the great personalities who have shaped our world The companion volume covers the great Blacks of Europe South and Central America the West Indies and the United States including Marcus Garvey Robert Browning Dom Pedro Alexandre Dumas Joachim Murat Aleksander Sergeevich Pushkin Alessandro de Medici St Benedict the Moor and many others
