## **The Message Of Jesus Christ:**

**The Message of Jesus Christ** Mahatma Gandhi, 1963      **Jesus Christ** Burton Hamilton Throckmorton, 1998-01-01  
Eschewing both fundamentalist rigidity and humanist revisionism Throckmorton discusses the traditional identity and nature of Jesus as portrayed in the Gospels While keeping a close eye on historical detail he explores and explicates the profound and lyrically spiritual implicat[i]ons of the life and meaning of Christ Back cover      **The True Message of Jesus Christ**  
Bilal Philips,      *The Gospel According to Christ* Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians      *The Message of Jesus Christ* Martin Dibelius, 1939      *Understanding the Message of the Cross of Jesus Christ* Jaerock Lee, 2008 Discover the wonderful truth of God's love for you Salvation is found in no one else for there is no other name under heaven given to men by which we must be saved Act 4:12 Understanding the Message of the Cross of Jesus Christ is a powerful and compassionate message that has awakened countless people around the world to give them the hope of a true life in Christ In this book you will find spiritually satisfying answers to fundamentally important questions as Why did God allow Adam and Eve to sin Why is Jesus our only Savior Why did the God of love have to prepare hell Why did God place the tree of the knowledge of good and evil in the Garden of Eden Understanding the Message of the Cross of Jesus Christ will show you God's secret plan that is discovered only in the cross of Jesus It will help you to lay a firm foundation for the true reality of God's wonderful love and plan for you You will be able to discover true faith and establish a Christian life that is pleasing to Him      *The Message of Jesus to Men of Wealth* George Davis Herron, 1891      But We See Jesus Stephen Kaung, 2016-11-16 Christianity is Jesus Christ It is not the teaching doctrine system or organization of Christ Rather it is Jesus Christ himself We need to see Him as God sees Him Yet this can only come about by revelation from above The Holy Spirit will reveal Jesus to us And when we do see Him as God sees Him we will fall down and worship Such then is the intent of this series of messages whose overarching theme is best summed up in the author's choice of title to the entire series But We See Jesus Hebrews 2:9a All nineteen messages were delivered by the author before a Christian audience in Richmond Virginia over a three year period commencing in the year 1992 May God use this volume to inspire His people to see the Savior and Lord we have so that we may truly worship Him

with all our hearts and love Him with all our heart mind will and strength Jesus alone is worthy The Message of Christ to Manhood Alexander Viets Griswold Allen,1899 The Method and Message of Jesus' Teachings Robert H. Stein,1994-01-01 This useful and practical book provides the college student seminarian church study group and interested lay person with a much needed introductory guide on the how method and the what message of Jesus teachings In this revised edition Robert Stein updates his classic work adds a new bibliography and introduces use of the New Revised Standard Version of the Bible bringing this important text to a new generation of students Dr. Bilal Philips' The True Message of Jesus Christ: A Reply, Refutation and Rebuttal A. Yousef Al-Katib,2020-07-01 In The True Message of Jesus Christ Dr Bilal Philips claims that Jesus Christ was merely a prophet of Allah who reaffirmed the central message that was later revealed to Muhammad Dr Philips argues that although Jesus claimed to be the Son of God in the Bible modern translations of the Bible are corruptions of the original revelations given by Allah Only the Qur an which downgrades Jesus status from the Son of God to a prophet reflects God s true uncorrupted message This Reply to The True Message of Jesus Christ demonstrates that Dr Philips arguments are flawed and suffer from serious weaknesses on multiple levels First Dr Philips claims are not historically grounded Second he misconstrues the text and meanings of the Bible Third he employs circular reasoning to support his assertions Fourth the claims Dr Philips makes with respect to the corruption of the Bible conflict with even the teachings of the Qur an on the divine inspiration of the Torah and other Hebrew and Christian scriptures Some of Dr Philips claims about the Bible are correct though ultimately they relate to minor or ancillary points such as discrepancies in extant biblical manuscripts as to a king s age when he began to rule While such minor discrepancies exist they should be expected in the copying and transmission of texts over thousands of years and they do not suggest deliberate falsification of the text for dogmatic purposes Such discrepancies do not alter the overall message of the Bible that God so loved the world that he gave His one and only Son so that everyone who believes in him will have eternal life John 3 16 The True Message of Jesus Christ fails to persuasively demonstrate that man has corrupted the Bible that the Qur an is God s true and divinely inspired book and that Jesus true message is that He is merely a prophet of Allah rather than God s sacrificial lamb offered as the atoning sacrifice for our sins and not only for ours but also for the sins of the whole world 1 John 2 2 Ultimately the book fails to defeat the hope given to all who put their faith and trust in Jesus Christ **The Message** Eugene H. Peterson,1995 Christ's Message to the Last Generation Emilio B. Knechtle,Charles J. Sohlmann,1997 *The Message of Jesus to Our Modern Life* Shailer Mathews,1915 **Radical Gospel** Brian Brandsmeier,2019-01-04 Radical Gospel dusts off academic theology and brings it to new life in this re telling of the ministry of Jesus This book is called Radical Gospel because it is rooted in the imagination insight and inspiration of many people especially a rural Galilean and his ragtag group of disciples It s also called Radical Gospel because it testifies to the revolutionary implications of the message and ministry of Jesus There is radically Good News to be shared and it s just as relevant today as it ever has been Feminist theologians have challenged the idea of

valorizing the suffering and death of Jesus Too often the idea of bearing one's cross in imitation of Jesus has resulted in the spiritualization of suffering and self negation For people who are survivors of abuse the idea of cross bearing has been bad news So this book seeks to re tell the story of Jesus in a way that challenges and counters the idea of the glorification of suffering After all the Good News of Jesus Christ is meant to lead to abundant life John 10 10 and complete joy John 15 11 Feminist theologians have also pointed out that the Gospels were written in a context of patriarchy which privileged the experiences of men In fact men tend to be the heroes and leaders in most Biblical stories while women tend to play depreciative roles such as seductress prostitute and deceiver Yet despite this many scholars believe that Jesus himself had a much more egalitarian ministry This book attempts to explore how the Gospels may have been written if the perspectives and experiences of female disciples were given more of a voice Historical critical Bible scholars help modern readers of the New Testament to understand the language of the Gospels i e Greek and the context out of which they were written i e Roman Orient between 70 150 AD Since the Gospels are a collection of testimonies that describe what Jesus meant to people it's important to understand those testimonies from within the culture and context they were written As an example the Gospels often describe the *basileia tou theou* which in English translates into Empire of God The phrase Empire of God is important to reclaim because it encapsulates the radical message that the writers of the Gospels originally intended For them the Empire of God was the much needed alternative to the Empire of Rome Part of their message is that Jesus brought people into a whole new Empire a new way of life Postmodern theologians have argued that all theology is written from particular perspectives Everyone's theology represents personal ideas and truths Nobody's theology represents The Truth for all times places and peoples God is far too complex and enigmatic for us to understand and explain in our limited language As Apostle Paul writes we see through a glass dimly and know only in part I Corinthians 13 12 So all language used to describe God is metaphorical and testimonial not objective reality Therefore this book is written from a passionate perspective that seeks to witness to the Good News of Jesus Christ Openness and Process theologians remind us that God is continually active and speaking in our daily lives God didn't just act once upon a time in a land far away Instead God's abiding presence is with us throughout our daily lives In God we live move and have our being Acts 17 28 So just as God inspired the writing of the Bible God also inspires our interpretation of those texts This book is an interpretation and a re imagining of the Gospels Part 1 The Beginning Which is a Continuation Part 2 The Ministry of Jesus Which is a Group Effort Part 3 The Crucifixion of Jesus Which Doesn't Stop His Ministry Part 4 The Ending Which is a New Beginning

**The Message of Jesus to Men of Wealth**

**(Classic Reprint)** George D. Herron, 2017-05-20 Excerpt from The Message of Jesus to Men of Wealth Among the notable signs Of the times is what might be called for lack of a better term the intellectual supremacy of Jesus Christ He has always commanded the conscience even when the will has rebelled For nineteen hundred years men have acknowledged Him to be the loftiest exemplar of all moral excellence even though they refused to follow in His footsteps Men have willingly conceded

to Him the deepest Spiritual insight and the highest authority touching religious truth even though they deemed the Sermon on the Mount inapplicable to practical life They are now beginning to see that His Words contain the solution of the great problems of this life as well as of that which IS to come that He IS the Saviour of society no less than of individual souls that to disregard His teachings is poor statesmanship and bad political economy as well as bad morals and irreligion Property is one of the central facts of civilization Its production transportation and distribution engage men s industries its acquisition is the common object of endeavor the love of it is the root of all evil It would have been strange indeed if the Great Teacher had had little or nothing to say concerning so great a factor in human life As a matter of fact he had very much to say concerning it not only by way of illustration but also touching the fundamental principles of its use About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Message Jesus Preached** Shane James,2015-10-27 THINGS WERE DIFFERENT IN THE CHURCH JESUS STARTED We sing songs to Jesus We pray to Jesus But do we really know and understand what Jesus preached Before you say Yes and move on consider these shocking facts Most messages preached today have nothing to do with Jesus core message Christian universities that train pastors missionaries and priests dont have courses that teach what Jesus taught and its been this way for hundreds of years The majority of believers in Christ have little or no understanding of what Jesus said or what He meant when He said it God is realigning His church with the message Jesus preached and Hes doing it to prepare us for Jesus return Get ready for a journey through the Bible that will help you Challenge your Christian experience and knowledge of Jesus teachings Learn the true heart of Christs teachings as recorded in Gods Word Discover the Kingdom life Jesus provided for exemplified and taught Shed any belief barriers that have inhibited your spiritual life to this point Embrace and renew a walk with God that is alive growing fresh and purposeful

Teachings of Jesus Christ A to L      **A Critical Introduction to the New Testament** Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture      The Cross of Jesus Christ Chukwugozi Onianwah, 2018-03-15 Many have read and have heard about the cross on which Jesus died and Christians around the world celebrate Easter by recalling the sufferings Jesus went through on the cross However many do not consider the spiritual dimensions of his suffering and some may not know why Jesus had to die and why he had to die on a cross In The Cross of Jesus Christ author Chukwugozi Onianwah offers an in depth study that brings to light some of the truths about the incarnation death and resurrection of Jesus Christ The cross of Jesus Christ is the single most important event in the history of humanity and it is a demonstration of God s love for all of humankind The cross carries a power that can be activated and is available for anyone who will hear receive and take the necessary steps that Christ has shared in his gospel of salvation
