An Amicable Controversy with a Jewish Rabbi, on the Messiah's Coming J. R. Park, 2013-10-23 The testimony of Jesus in the spirit of prophecy Few perhaps of those who read the Scriptures are fully aware of the extent to which the language of them abounds in metaphor yet is this knowledge indispensable to the right understanding of both the Old and the New Testament and especially the prophetic parts of these books If Christ be the Messiah his kingdom is a spiritual one and what relates to it must be spiritually understood We marvel at the blindness which prevents the Jews from perceiving in prophecy the numerous intimations of a spiritual Messiah all of which appear to us to have been distinctly fulfilled in the person of Christ and yet that very blindness to their spirituality is what prevents ourselves from understanding other prophecies relating to the same subject The happy state which the world may attain to under the universal prevalence of true religion it is more easy to imagine than to describe for a volume would hardly suffice to enumerate all the blessings it is calculated to afford The cessation of foreign war with all the miseries attending it the end of all tyranny and oppression at home of injustice and misrule are the most distinctly announced and their benefit perhaps the most obvious But their influence on society is limited in comparison with the wide diffusion of happiness that would ensue from the improvement in private life and the amelioration of individual character **The**

Messiah'S Imminent Return DeLinda N. Baker, 2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this

book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegrooms return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesuss return Come prepared to dig deep into scriptures and look forward to Jesuss return **The Messiah** Samson H.
