

A detailed illustration of a biblical scene. In the center, Jesus, with long brown hair and a beard, wearing a brown robe, is kneeling on a dusty ground. He is looking down at a man who is also kneeling, wearing a brown robe. The man is looking up at Jesus. In the background, several other people are standing or sitting, watching the scene. They are wearing traditional robes and head coverings. The setting is a town square with stone buildings and a cloudy sky. The overall tone is solemn and miraculous.

Hart,2001-02-16 Sickness Affliction No one is exempt In some manner these will touch our lives either personally or in someone we know When sickness and affliction occurs we have questions such as Why is this happening God Are You angry with me Have I done something wrong Are You going to heal me If I m not healed does it mean You don t love me or care about me How much faith do I need before I m healed Isn t it Your will that everyone is healed Did Satan cause my sickness Did I cause this problem This book is what you need if you have been looking for answers to these questions Has God changed Does God cause sickness and pain in anyone Is it ever God s will to not heal Is lack of healing due to lack of faith Does everyone honestly want to be healed Can we prevent our healing Should we claim to be healed if it is apparent we are not Were the stripes Christ suffered meant for our physical healing or were they meant for our spiritual healing Is anointing the sick with oil important What is the most important healing The truths in this book are long overdue It is time that false teachings are exposed and Biblical truths are presented Personal opinions and biased answers are not what the sick and afflicted need They need Biblical answers and they will find the answers in this book
