The Mind Breaker:

The Mind Breaker Arthur R. Mather, 1980 **The Mind Breaker** D. D. Black, 2025-06-14 When a mutilated body washes ashore near Kingston Washington the local authorities are out of their depth The injuries aren't just brutal they're deliberate A gruesome fusion of military torture and ritualistic branding Former military psychologist Silas West left D.C. to write a memoir and rebuild his life in a quiet town on Washington's Puget Sound But when he's asked to consult on the case what begins as a favor turns into an obsession And when another body surfaces marked with symbols only he can understand he realizes this isn't just a pattern It's a message And it might be addressed to him As the investigation deepens Silas is pulled back into a chilling world of fractured psyches and brutal violence he thought he'd escaped But it turns out some doors to the past stay locked for a reason And some minds once broken can never be put back together Amazon.com
