## **The Of The Angel:**

**The Revolt of the Angels** Anatole France, 2016-02-10 The Human Spirit in His Quest for Knowledge I sought out the laws which govern nature solid or ethereal and after much pondering I perceived that the Universe had not been formed as its pretended Creator would have us believe I knew that all that exists exists of itself and not by the caprice of Iahveh that the world is itself its own creator and the spirit its own God Henceforth I despised Iahveh for his imposture and I hated him because he showed himself to be opposed to all that I found desirable and good liberty curiosity doubt Anatole France The Revolt of the Angels Arcade a guardian angel of the lowest rank seeks knowledge and falls out of Heaven because of it He meets other fallen beings who plot to dethrone God Maurice is the human who Arcade should be guarding and he wants his guardian angel back But is he ready to face the truth This book has been professionally formatted for e readers and contains a bonus book club leadership guide and discussion questions We hope you ll share this book with your friends neighbors and colleagues and can t wait to hear what you have to say about it The Stars and the Angels, Or The Natural History of the Universe and Its Inhabitants ,1858 *Revelation Exegetical Commentary - 2 volume set* Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest *Nicene and Post-Nicene Fathers* Philip Schaff, 2007-06-01 *The Family Expositor; Or, A Paraphrase and Version of the New Testament; with Critical Notes ...* by Philip Doddridge, D.D. *With Memoirs of the Author, by Job Orton, and Extracts from Dr. Kippis.
