## **The Ok Corral Inquest:**

The O.K. Corral Inquest Alford E. Turner,1981      **Wyatt Earp and Bat Masterson** Bill Markley,2019-05-01 Which lawman did the most to tame the frontier Bat Masterson or Wyatt Earp Neither of them was a saint At times their actions were not in compliance with the law and they only served as peace officers for limited portions of their lives What sets them apart from the thousands of sheriffs and marshals who served on America s frontier Did they make more arrests than others Did they kill large numbers of men Did they lead adventurous lives Was it their character Was there just the right ring to their names that led people to remember them Did they get the right publicity at the right time Did they just outlive all the others Or was it a combination of these factors This joint biography reveals the intersection of their legacies and attempts to answer the questions about their place in the story of the West      The World of Doc Holliday Victoria Wilcox,2020-12-18 His name conjures images of the Wild West of gunfights and gambling halls and a legendary friendship with the lawman Wyatt Earp and he is probably most famous for his time in Tombstone But Doc Holliday s story is a much richer than that one sentence summary allows His was a life of travel across the west from Georgia to Texas from Dodge City to Las Vegas across Arizona and from New Mexico to Colorado and Montana Revealed from contemporary newspaper accounts and records of interviews with Doc himself and the people who knew him and packed with archival photos and illustrations The World of Doc Holliday offers a real first hand accounting of his life of adventure      **Doc Holliday** Karen Holliday Tanner,2013-03-12 John H Holliday D D S better known as Doc Holliday has become a legendary figure in the history of the American West In Doc Holliday A Family Portrait Karen Holliday Tanner reveals the real man behind the legend Shedding light on Holliday s early years in a prominent Georgia family during the Civil War and Reconstruction she examines the elements that shaped his destiny his birth defect the death of his mother and estrangement from his father and the diagnosis of tuberculosis which led to his journey west The influence of Holliday s genteel upbringing never disappeared but it was increasingly overshadowed by his emerging western personality Holliday himself nurtured his image as a frontier gambler and gunman Using previously undisclosed family documents and reminiscences as well as other primary sources Tanner documents the true story of Doc s friendship with the Earp brothers and his run ins with the law including the climactic shootout at the O K Corral and its aftermath This first authoritative biography of Doc Holliday should appeal both to historians of the West and to general readers who are interested in his poignant story Doc Holliday A Family Portrait will be considered the definitive Holliday biography and will supplant all previously published works on the man s life as a complete and authoritative account This book will undoubtedly take a place among the foremost books in the Western gunfighter genre Robert K DeArment author of Alias Frank Canton      And Die in the West Paula Mitchell Marks,1990 The gunfight at the O K Corral has excited the imaginations of Western enthusiasts ever since that chilly October afternoon in 1881 when Doc Holliday and the three fighting Earps strode along a Tombstone Arizona street to confront the Clanton and McLaury brothers When they met Billy

Clanton and the two McLaurys were shot to death the popular image of the Wild West was reinforced and fuel was provided for countless arguments over the characters motives and actions of those involved [True Tales of the Wild West](#) Paul Robert Walker,2002 Shares ten stories featuring legendary places events and characters from the era of westward expansion

Cataldo,2006 **Apache Days and Tombstone Nights** John Philip Clum,1997 It has been said that two sagas of the Southwest stand out above all others the Apache Wars and the turbulent years of Tombstone Arizona in the early 1880s No one was more intimately involved in these events than John Clum As an Indian agent Clum was decades ahead of his time He respected the Apache and years before Buffalo Bill Cody took a number of them to the Eastern states as part of a Wild West road show He was also an Indian fighter who out foxed Geronimo and took him prisoner at the Warm Springs Reservation in New Mexico Later he would serve as mayor of Tombstone and he would found the most famous newspaper in the West the Tombstone Epitaph During his Tombstone years Clum would befriend the Earp brothers and would support them in their feud with the Clanton gang The autobiography and related memoirs collected here have not previously been published in book form Carefully annotated by Neil Carmony *Apache Days and Tombstone Nights* offers John Clum s singular view of notable events in Southwest history **Term Paper Resource Guide to Nineteenth-Century U.S. History** Kathleen W.
